DOVER-SHERBORN PUBLIC SCHOOLS

Dover and Sherborn Public Schools
Preschool Screening

The Public Schools of Dover and Sherborn will be offering a free screening for children ages 3-5 years old who reside in Dover or Sherborn and may have developmental delays or disabilities that may affect learning and school performance.

Parents/Guardians who suspect that their child may have a disability or may be developmentally delayed are encouraged to schedule a screening appointment. For screening appointments and general questions regarding special education processes and services, please contact:
