From: Mark Williams, *Director of CTE*

Subject: *Contract 26-02-4900R-RFP Award Recommendation – Career and Technology Equipment Repair Service*

Date: 12/16/2025

Upon careful review and evaluation of the proposals submitted for Contract 26-02-4900R-RFP, we recommend that the vendors scoring (70) seventy percent or higher on the Evaluation Matrix be granted the contract due to their ability to offer the best value to the district.

The contract will be valid for one (1) year until January 31, 2027, and will renew automatically for four (4) additional one-year terms until January 31, 2031, unless either party provides a written notice of non-renewal at least thirty (30) days in advance. Upon mutual agreement, proposed prices can be extended beyond the firm price offer date on a month-to-month basis for up to 6 months.

Vendors awarded the Career and Technology Equipment Repair Service RFP will provide maintenance and repair services for industry-based equipment used in the Cypress-Fairbanks ISD CTE shops and classrooms to support student instruction.

Should you have any inquiries or require additional information regarding this recommendation, please do not hesitate to reach out.

Sincerely,

Mark Williams
