NOTES

May 25, 29- 31 and June 1 and 4 are designated as possible make-up days in the 2028-2029 school year should the district need to cancel school for inclement weather or other emergencies. Depending on the situation, Pattonville may have a virtual learning day instead of making up a day at the end of the school year. On a virtual learning day, students will experience a combination of independent work with virtual support via Zoom from their classroom teachers. Specific information will be communicated based on the nature of the inclement weather or emergency situation.

All school calendars are subject to change to be in compliance with state law, including the required number of emergency days and the agreed upon number of contracted days for staff.

Summer school dates are dependent on the number of emergency days used during the regular school year and are subject to change.
