PRE-K

2026-2027

The building blocks for lifelong success!

In our Pre-K classes, your child will discover endless possibilities. Our stimulating learning environments foster growth socially, emotionally, physically, and academically.

Roseville Area Schools Pre-K is a four-star, Parent Aware-rated program. Our early childhood teachers use innovative, theme-based curriculum that includes individualized activities to help all children reach goals that lead to school success. Our three Early Childhood Centers are designed especially for young children, with child-sized tables, chairs and equipment, white boards that go all the way to the floor, and bathrooms near or inside each classroom.

We want to see each and every child succeed, and we can't do it without you! Families are an integral part of Roseville Area Schools Pre-K. From conferences to family engagement nights to visiting classes, we want you to be closely involved in your child's Pre-K experience.

Financial assistance may be available to qualifying families. To receive more information, call 651.604.3578 or visit www.isd623.org/prek.
