

INTRODUCTION TO THEATRE

Curious about theatre? Love performing—or want to build confidence speaking in front of others? Introduction to Theatre is a fun, high-energy class where students learn by doing in a supportive, welcoming environment.

- Build confidence in public speaking and self-expression
- Learn the fundamentals of acting, improvisation, and storytelling
- Develop skills in movement, voice, and stage presence
- Collaborate and connect with new people in a supportive environment
- Earn VAPA credit toward A–G graduation requirements
- Perform in class showcases and school theatre events
- Participate in school assemblies, 8th Grade Preview, and Back-to-School Night performances
- Gain exposure to stagecraft, scripts, and character development
- Make new friends and build strong teamwork skills
- Prepare for advanced theatre classes like Drama, Advanced Drama, or Musical Theatre
- Opportunities for monologues, small-group scenes, and leadership roles

No experience required—just curiosity, creativity, and a willingness to try! Discover your voice, build confidence, and find your place on stage.
