

LES 25-26 Parent/Family Engagement Plan

Summary

Leighton Elementary School teachers and staff are committed to maintaining a safe and welcoming school that encourages and supports our students and staff by engaging parents and families of students in the educational process for the 2025-2026 school year. Goals and initiatives will focus on communication and increased opportunities for involvement.

Goals

- We will promote positive daily attendance while adhering to district policy.
- We will provide parents and community stakeholders the opportunity to be engaged and have an active role in regard to education.
- We will promote collaborative opportunities for stakeholders and parents in regards to student education.

Method

- Communicate current information and events in various ways
 - Flyers
 - social media
 - Class Dojo communication platform
 - “Blackboard” call-outs
 - student planners
 - monthly LES newsletter
- Provide opportunities for engagement throughout the year
 - Parent Committee
 - Parent/Teacher Conference
 - school programs
 - parent/stakeholder surveys
 - Open House/Title I meeting

Expected Outcomes

- Using the aforementioned methods, we expect parent and family engagement to increase on our campus. This will create stronger school-home partnerships, improve academic performance and attendance, and create a more positive school atmosphere.
