

Dear Parent/Guardian,

We hope this message finds you well. Recently your student completed the Star Assessment and their report is now available.

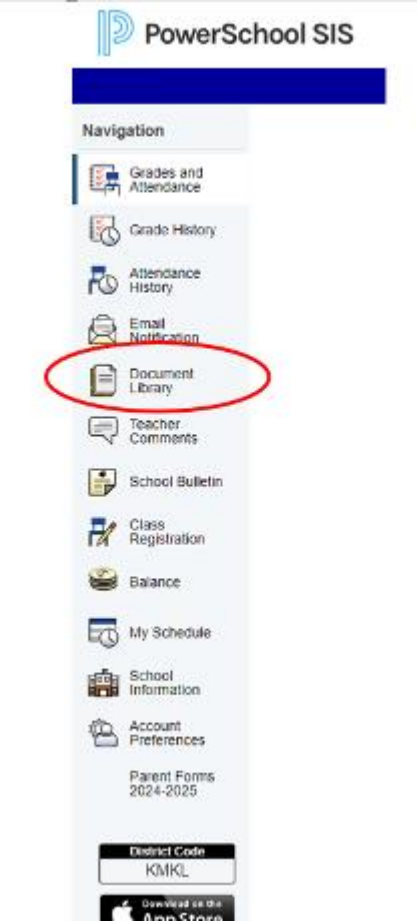

To access the report, you will need to log in to your parent portal on my.cherrycreekschools.org

On your homepage, click on the PowerSchool/Parent Forms tile

Once in PowerSchool, choose Document Library from the menu on the right of your screen.

You will see your student's Star Report listed.

We encourage you to review the report and discuss it with your child to celebrate successes and set goals for continued progress. A guidance document to help understand the report is available [here](#).

If you have any questions about the report or would like to discuss specific strategies to support your student, please reach out to your student's teacher.

Thank you for your partnership in ensuring your student's success.
