ACCESS TO BUILDINGS AND GROUNDS

The buildings and grounds of the Holbrook Public Schools represent a significant community investment. The primary purpose of that investment is for the students of the school district.

It is in the best interest of the public that this investment be secured while nonetheless providing maximum possible community use of the district buildings and grounds.

During school hours when school is in session, access to the buildings and grounds of the Holbrook Public Schools are limited to district students, staff, and those with legitimate business with the school or district. Those visiting for recognized business must follow the district visitor policy and accompanying procedures. Access to school grounds during the school day, except for recognized school or district activities, is prohibited.

During outside of school hours and on non-school days, the public is welcome to use school grounds from dawn until dusk under procedures promulgated by the superintendent. Such use is secondary to use by any school or district activity or to any community use as provided through rental or donation.

Access to school buildings after school hours and on non-school days is only for attending school and district events or for uses authorized by the superintendent or their designee. Access within the building will be limited to only those participating in the authorized event. Such access will be limited to those rooms and spaces required by the event, including appropriate restroom access.

The superintendent will ensure that procedures enacting this and related policies are created and enforced.

NOTE: Districts should ensure non-school-related access is shaped to suit local buildings and grounds and appropriate local expectations. Districts also should adapt language for school facilities not owned by, but used by, the district.
