

## WHAT IS A FAMILY-SCHOOL COMPACT?

A Family-School Compact is an action plan to enhance schools and promote student success. The Family-School Compact describes how Fields Store Elementary and families can work together to help children achieve the state's high standards. It outlines how parents, the school staff, and students will share responsibility for improved student academic achievement. Our compact describes what the school will provide to students and parents, how communication will take place, and how teachers will help students develop necessary skills. It outlines what strategies families can use at home to support their child's learning. These components are linked to our schoolwide Campus Improvement Plan.

### Jointly Developed

Parents, staff, and students of Fields Store Elementary contributed to the development of this compact. Feedback from surveys, input at meetings, and evaluation of current parent involvement practices were all considered. Teachers suggested activities that will be supported and provided that can take place at home, and parents contributed ideas to make these activities possible. Students offered feedback on what would help them learn. Meetings are held each year to review the compact, and to make necessary changes. The compact ensures that students are provided with the best opportunity for academic achievement by the school and family working together. Parents are welcome to contribute comments at any time as the compact will be referenced throughout the year.

## BUILDING PARTNERSHIPS

Fields Store Elementary is committed to providing families with resources and opportunities for learning in order to assist parents in working with their child.

A variety of parent involvement opportunities and family learning nights are offered throughout the year, providing information on topics such as helping your child in math and reading, understanding tests and assessments, grade level learning expectations, helping with homework, and more. We are excited this year to be hosting two family night that will be centered around building literacy and foundational math skills. All parents are invited to request specific topics of interest as well.

## COMMUNICATION ABOUT STUDENT LEARNING

**Parent-Teacher Conferences:** Annual parent conference day is 11/03/2025 or scheduled as needed.

**Academics:** Student report cards are issued every nine weeks, with two progress reports per grading period.

**Dojo:** We use this application for two way communication between families and school.

**Volunteering:** Opportunities are offered throughout the year. Please contact the front office for more information. 936-931-4050

**Translation:** Smores and Dojo offer translations in different languages. Families may also request translation when needed.

## FAMILY - SCHOOL COMPACT 2025-2026

Revised on 6/09/2025

## Fields Store Elementary

### SCHOOL VISION STATEMENT

Fields Store Elementary School...where positive attitudes and environments, paired with proactive thinking and practices, lead to productive learners and leaders!

## OUR GOALS FOR STUDENT ACHIEVEMENT 2025-2026

WISD/Fields Store Elementary will:

- Ensure academic performance and achievement levels reflect excellence in learning and attainment of both high expectations and high standards for all students.
- Continue to develop and support systems, programs, instructional standards, professionals, paraprofessionals and volunteers to enhance students' knowledge, skills and performance in every adopted curriculum area.
- Provide a safe, secure and respectful learning environment for students and staff
- Continue state and national leadership in the use of technology in all phases of the educational process

## TEACHERS, PARENTS, & STUDENTS - TOGETHER FOR SUCCESS

### IN THE CLASSROOM

FSE will engage in growth-focused interaction across all facets of our school community.

FSE will increase the number of students who demonstrate one year of academic growth in reading and math in Pre-Kindergarten through fifth grade and across student sub-groups.

FSE will increase the number of students who meet or exceed mastery in science as assessed in fifth grade and across student sub-groups.

FSE will continue emphasis on Tier 1 instruction.

FSE will revise and update attendance plan for encouraging, incentivize, and celebrating student attendance.

FSE will provide targeted support for students with recurring attendance/tardy issues.

FSE will focus on social emotional well-being as a foundation for growth.

### AT HOME

Connect with your child's teacher through email or Dojo.

Attend your child's parent-teacher conference.

Kindergarten through 2nd grade families read with your child every night and practice snap words.

Encourage at least 30 minutes of reading for students 2nd through 5th grade.

Check your child's take home folder daily or log in to skyward to check their grades.

Make time to talk about school with your child daily.

Make school attendance a priority.

Help your child maintain daily routines, such as finishing homework and getting a good night's sleep.

### KEYS TO SUCCESS

Reading with your child or encouraging independent reading will help foster a lifelong love for reading.

We offer several math programs online that your child can do at home. Your child can log into Zearn through Clever. At home math curriculum can be supported through IM.Kendallhunt.com

With our partnership we will improve attendance; missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
