

# **RULES OF THE MILWAUKEE BOARD OF SCHOOL DIRECTORS**

## **BOARD RULE 2.10 COMMITTEE ON STUDENT ACHIEVEMENT AND SCHOOL INNOVATION — POWERS AND DUTIES**

(1) The Committee on Student Achievement and School Innovation shall consider and make recommendations to the Board on emerging issues and new ideas in education and their relationship to achievement of the Board's goals and standards.

(2) The Committee on Student Achievement and School Innovation shall serve as the primary vehicle for consideration of instructional reform issues and plans, including, but not limited to innovative school proposals, graduation standards and benchmarks, K-12 learning goals and curriculum reform; establishment of measurement criteria or standards; non-routine, futuristic instructional items; and development of current initiatives or areas of special focus.

(3) The Committee on Student Achievement and School Innovation shall consider proposals and plans for closing/reconstituting schools and decentralization/centralization initiatives.

(4) The Committee on Student Achievement and School Innovation shall consider matters concerning charter school and partnership school proposals and contracts.

(5) The Committee on Student Achievement and School Innovation shall consider matters concerning special education and Title I.

History: Revised 07-29-10, 11-19-15; Reaffirmed 03-24-22; Revised 07-25-25
