Math Goal:

Between the Fall of 2024 and Spring of 2027, 3rd - 6th grade students will achieve math grade level standards, increasing from 53% to 65% as measured by the Smarter Balanced Assessment.

25/26 Strategy: Dedicated math intervention block for K-6 students to acquire the skills necessary for success as mathematicians, in conjunction with effective Tier I math instruction.

25/26 Strategy: Professional development around the Math Genius Squad, which is a district-supported grant for the year. Specific focus on quick practice and daily math routines.
