Family Resource & Youth Service Center Survey

The Family Resource and Youth Service Centers provides assistance to students and families in our district who are experiencing barriers to their education at home and outside the classroom. In order to plan for services, we ask families to tell us a little about the issues they face on a daily, weekly or irregular basis. The survey is anonymous and no attempt is made to identify respondents unless you choose to reveal yourself. This information is critical to our centers and we are grateful for your responses. Please take a moment to fill out the survey. The information you share here is **CONFIDENTIAL** and the only people who will see this information will be Mrs. Laycock (TFMS FRYSC)
