Dear Parent/Guardian:

As part of Henry County's **updated graduation requirements for the Class of 2028 and beyond**, students must complete **0.5 credit of Community Service**. This represents your contribution to the Henry County community and is an important part of becoming a well-rounded graduate.

We're excited to share that **you can now document/log your Community Service hours directly in Infinite Campus!** This new feature makes it quick and easy to document your community service and remain on track for graduation.

Here's what to do:

1. Follow the step-by-step instructions here: <https://bit.ly/HCSCommunityService>
2. Log your completed community service hours in Infinite Campus.
3. Make sure your entries are accurate and reflect verified service.

This process is simple and easy—no more paper forms! Every hour you log fulfills your graduation requirement and shows your commitment to making a difference in our community.

For additional questions or concerns, please review the [HCS Community Service FAQ](#). Thank you for serving others and representing Henry County Schools with pride.

A sample list of Community Service Activities can be found in [HCS Board Policy IHF-R\(1\)](#).

For additional information, please contact your school's College and Career Readiness Coach, Mrs. Pamela Brown-Henry, at pamela.brown@henry.k12.ga.us.
