

**Welcome to the Valley Grove School District!**

Located in northwest Pennsylvania in beautiful Venango County, the Valley Grove School District serves approximately 63 square miles and the communities of Rocky Grove, Sugarcreek Borough, Reno, Cooperstown, and Jackson Township.

The mission of the Valley Grove School District, in partnership with our community, is to provide every student with the opportunity to receive a comprehensive, high-quality education.

We are committed to meeting the individual needs of each student by offering a wide range of academic opportunities, including College in High School programs and career education and preparation through the Venango Technology Center. In addition to our strong core curriculum, we are proud to offer robust programs in vocal and instrumental music, the arts, and athletics.

If you would like to learn more about the Valley Grove School District, Rocky Grove High School, or Valley Grove Elementary School, please feel free to contact us.

**Kevin M. Briggs, Ed.D.**
