

# The Golden Apple Award

Community volunteers will choose the award recipients from within the Billings Public Schools.

**Nominations are due on Monday, February 23rd.**

Each year our community awards The Golden Apple to outstanding educators, administrators and support professionals who best reflect our commitment to excellence in education. This year Golden Apples will be awarded to:

- Two to elementary school teachers
- One to a middle school teacher
- One to a high school teacher
- One to a support staff
- One to a specialist
- One to an administrator

In approximately 200 words, explain why your nominee should be selected for the Golden Apple Award, reflecting our community's commitment to excellence in education. Give specific examples of how this nominee:

1. Takes the "extra step" to help students learn;
2. Is a role model or mentor;
3. Affects you or someone you know personally.

Is there anything else special about this nominee that you believe the selection committee should take into consideration that hasn't already been asked? If so, please briefly tell us in a paragraph or two about anything you think makes this person stand out among others as educators and staff members within our education community. Nominations must contain enough specific information to be scored by the selection committee. It is recommended they be at least one paragraph.
