RAPTOR SAFE TECHNOLOGY

CAB Schools have deployed Raptor Safe Technology in all of our buildings. Anyone who enters a building as a volunteer or goes anywhere other than the office will be required to scan their license to gain permission to enter. If you are a person who volunteers frequently you can download the Raptor Safe App. You will be able to create a QR code to scan when you come in instead of having to scan your license every time. Please see the office secretaries for more information.

KHS Field Trip

Attention KHS Families:
On October 23rd @ 9:00 all KHS students will be attending a field trip at New Castle Field House. All county schools will attend for Red Ribbon Week. The speaker is Michael DeLeon from Steered Straight, Inc. He is a motivational speaker who focuses on making good choices, avoiding substance abuse and building resilience. Most guardians signed permission slips at registration for field trips. If you did not, we will send a paper copy home for permission.

COOKS IN THE KITCHEN

Ms. Lester's
class has been
busy learning
kitchen skills.
