# PLANNING FOR PROGRESS

TO ENSURE A STRATEGIC AND COMPREHENSIVE APPROACH FOR THRIVING SCHOOLS

## Thriving Schools

**School Size**

**Combination & Closure**

**Grade Configuration**

**Program Offerings**

## Facility Repurposing

**Partnership**

**Land Sales**

**Community Impact**

# COMMUNITY INPUT THEMES

- **Additional K-8 schools.** Call for continuity and smoother transition for students in a K-8 model.
- **Intentional program offerings** that provide more STEM, IT, and career learning in K-12 program offerings.
- Maintain positive school cultures and **retain strong teachers and support staff.**
- Use buildings for added **infant through age 3 child care** with a community partner and/or for employee childcare.
- Repurpose buildings/convert surplus **space for community use** for day care, elder care, etc.
- **Lease buildings to child care and/or community partners** that will provide school and community impact.
- **Combine facilities** to increase usage in buildings.
- If **selling land or repurposing facilities**, prioritize beneficial community use, including green space, recreation centers, and affordable housing opportunities.

*Stakeholder feedback was reviewed, and themes were summarized by the Assessment, Accountability and Research (AAR) department.*

# STAFF INPUT THEMES

- **Additional K-8 schools.** Intentional program offerings to **provide electives in K-8 model.**
- Intentional program offerings to better **align elementary schools to MS/HS programs.**
- **Retain teachers and support staff to create/sustain a positive culture.**
- **Expand hands-on career learning** to provide increased opportunity to earn industry certifications.
- Combine offerings to **maximize space while maintaining personalized culture.**
- Use buildings for added **infant through age 3 child care** with community partner and/or for employee childcare.
- **Lease to other child care and/or after-care partner.**

*Stakeholder feedback was reviewed, and themes were summarized by the Assessment, Accountability and Research (AAR) department.*

# **SITE-LEVEL ANALYSIS**

A stylized, light blue flame graphic with three main upward-curving tongues of fire, positioned behind the title text.Three horizontal, light blue rounded rectangular bars of varying lengths, stacked vertically and centered below the title.

# PLANNING FOR PROGRESS

## A STRATEGIC AND COMPREHENSIVE APPROACH FOR THRIVING SCHOOLS

### COMMUNICATION AND TRANSPARENCY

Review and recommendations based on:

- Site capacity, building use, investment and/or improvement needs
- Enrollment and demand trends at a site-level
- Current programs and geographic locations across the district
- Grade configurations and community demand (e.g., K-5, K-8, 6-8, 9-12, etc.)
- Zipcode and community development analysis
- Public/Private partnership opportunities
- School zone boundaries and transportation areas
- Priorities provided through broad stakeholder engagement

# PLANNING FOR PROGRESS

JANUARY 2026: LIMITED RECOMMENDATIONS FOR 2026-27

## Thriving Schools

- Grade configurations
  - Creation of K-8 schools
  - Early Childhood Centers (birth to grade 2)
- Partner alignment to enhance school programs
- Lease under-utilized building space to partners that bring benefit to school and community within district buildings
- Review of small schools for programmatic viability, fiscal stewardship and building utilization
- Land and/or building sales

**Recommendations made in January 2026 will not include large-scale changes to school zones to ensure adequate time for community engagement.**

## Facility Repurposing

# DATA ANALYSIS

## QUANTITATIVE DATA

- School enrollment trends
- Facility utilization and capacity
- Cost to operate a school vs. FTE generated by enrollment
- Facility conditions
- County-level analysis of population trends, economic development plans

## COMMUNITY CONTEXT

- Variety of academic offerings in the region/area
- Surrounding neighborhoods and communities
- Trends in investment/divestment
- Community wants/needs and community partner needs
- Stakeholder feedback: community ideas, desires, and needs

# RECOMMENDATIONS

**JANUARY 2026**

# JANUARY 2026 RECOMMENDATIONS

## BAY POINT ELEMENTARY & MIDDLE

CREATE A K-8 SCHOOL COMBINING BAY POINT ELEMENTARY AND BAY POINT MIDDLE.

## OLDSMAR ELEMENTARY

|    | <p>BAY POINT ELEMENTARY AND MIDDLE</p>   | <p>RECOMMENDATION<br/>JANUARY 2026</p> |
| <p><b>RECOMMENDATION: CREATE A K-8 SCHOOL COMBINING BAY POINT ELEMENTARY AND BAY POINT MIDDLE</b></p>   |  |  |
| <p>This recommendation <b>combines Bay Point Elementary (BPES) and Bay Point Middle (BPMS) schools into a K-8 school on the middle school campus beginning in the 2027-28 school year.</b> The two schools are adjacent to each other and are situated on the same parcel of land. There are no recommended changes to the school zone boundaries nor the current District Application Program (DAP) populations. Grades K-5 will remain 100% DAP, and grades 6-8 will keep the current zone and DAP. This recommendation builds on community input regarding K-8 campuses and aligns the current science and technology choice programs at both schools to enhance the programmatic pathway to the Lakewood HS Center for Advanced Technologies (CAT) program. The district is working with potential organizations interested in partnering with the K-8 school that will provide: 1) programmatic enrichment in alignment with the science/technology pathways embedded in the K-8 program and 2) child care for infants through VPK on the current elementary campus, tentatively beginning in the 2027-28 school year.</p> |  |  |
| <p><b>COMMUNITY INPUT SUMMARY: RECEIVED AS OF 1/16/26</b></p>   |  |  |
| <p><b>PLANNING FOR PROGRESS MEETINGS: COMMON THEMES</b></p> <ul style="list-style-type: none"> <li><b>Additional K-8 schools.</b> Call for continuity and smoother transition for students in a K-8 model.</li> <li><b>Intentional program offerings</b> that provide more STEM, IT, and career learning in K-12 program offerings.</li> <li>Maintain positive school cultures and <b>retain strong teachers and support staff.</b></li> <li>Use buildings for added <b>infant through age 3 child care</b> with a community partner and/or for employee child care.</li> <li>Repurpose buildings/convert surplus <b>space for community use</b> for day care, elder care, etc.</li> <li><b>Lease buildings to child care and/or community partners</b> that will provide school and community impact.</li> <li><b>Combine facilities</b> to increase usage in buildings.</li> <li><b>If selling land or repurposing facilities,</b> prioritize beneficial community use, including green space, recreation centers, and affordable housing opportunities.</li> </ul>   | <p><b>PRINCIPAL/DISTRICT STAFF SESSIONS: COMMON THEMES</b></p> <ul style="list-style-type: none"> <li><b>Additional K-8 schools.</b> Intentional program offerings to provide electives in K-8 model.</li> <li>Intentional program offerings to better <b>align elementary schools to MS/HS programs.</b></li> <li><b>Retain teachers and support staff to create/sustain a positive culture.</b></li> <li><b>Expand hands-on career learning</b> to provide increased opportunity to earn industry certifications.</li> <li>Combine offerings to <b>maximize space while maintaining personalized culture.</b></li> <li>Use buildings for added <b>infant through age 3 child care</b> with a community partner and/or for employee child care.</li> <li><b>Lease to other child care and/or after-care partner.</b></li> </ul> |  |
| <p><b>SCHOOL ENROLLMENT AND HISTORY</b></p>   |  |  |
| <p>BPES currently has a K-5 enrollment of 302 students with a building capacity of 646 student stations (47% utilization). BPMS currently has an enrollment of 468 students with a building capacity of 1,322 student stations (35% utilization). These two schools have a combined enrollment of 770 students. Creating a K-8 on the site of the current middle school raises utilization to ~60%, allowing for growth with the popularity of K-8 schools and subsequent future recommendations.</p>   |  |  |
| <p><b>TABLE 1: BPES SCHOOL CAPACITY &amp; ENROLLMENT</b></p>   | <p><b>TABLE 2: BPMS SCHOOL CAPACITY &amp; ENROLLMENT</b></p>   |  |
| <p><i>Official Count Snapshot Data (Survey 2), FISH and Program Capacity</i><br/> <i>Tables demonstrate student enrollment in bar charts, total permanent building capacity (student stations) in the grey line graph, and staffing for the student population and programs in the teal line.</i></p>   |  |  |
| <p><b>BAY POINT ELEMENTARY</b></p> <p><b>Year Opened:</b> 1962 as a side-by-side campus, sharing cafeteria and media center with the middle school.</p> <p><b>Grades Served:</b> PK-5</p> <p><b>Site Utilization Impact:</b> Removes 646 student stations</p>   | <p><b>BAY POINT MIDDLE</b></p> <p><b>Year Opened:</b> 1962 as a side-by-side campus, sharing cafeteria and media center with the elementary school.</p> <p><b>Grades Served:</b> 6-8</p> <p><b>Site Utilization Impact:</b> Increases to approximately 60%<br/>         Planning for Progress, January 2026</p>  |  |

# OLDSMAR ELEMENTARY

## EXPAND OLDSMAR ELEMENTARY INTO A K-8 SCHOOL.

**RECOMMENDATION: EXPAND OLDSMAR ELEMENTARY INTO A K-8 SCHOOL**

This recommendation expands Oldsmar Elementary School into a K-8 school on the existing campus in phases beginning in the 2026-27 school year. There will be no changes to the current Oldsmar ES zone. All students who attend grade 5 at Oldsmar ES will be able to attend grade 6 at Oldsmar K-8 beginning in 2026-27. The transition to a K-8 school will occur over three years, adding grade 6 in 2026-27, grade 7 in 2027-28, and grade 8 in 2028-29. Through the school choice process, a proximity preference will be applied for any open middle grades seat for students that do not reside in the Oldsmar ES zone. The current Oldsmar ES VPK program will transition to the current Service Center or Forest Lakes Elementary over the next three years as the middle grades are phased in.

COMMUNITY INPUT SUMMARY: RECEIVED AS OF 1/16/26

**PLANNING FOR PROGRESS MEETINGS: COMMON THEMES**

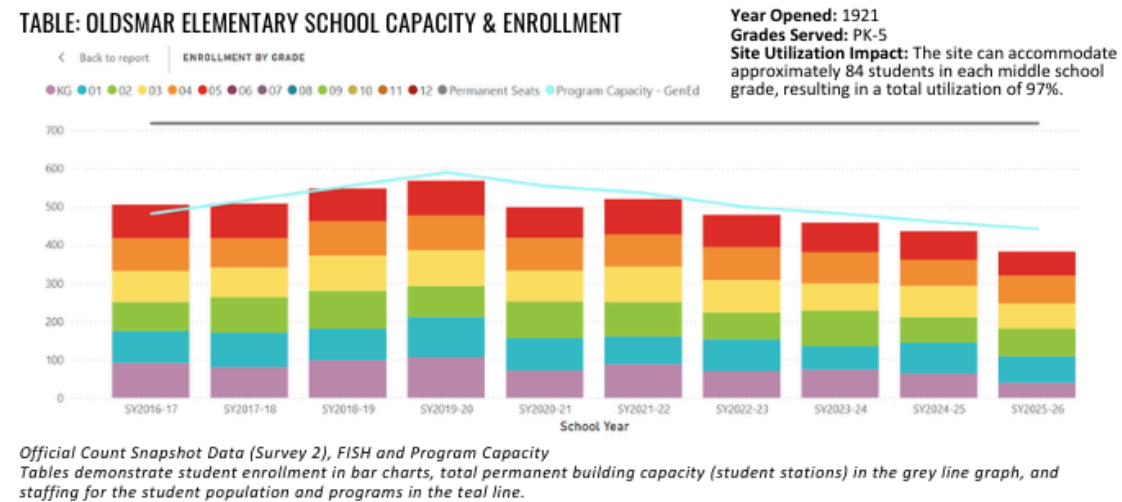

- **Additional K-8 schools.** Call for continuity and smoother transition for students in a K-8 model.
- **Intentional program offerings** that provide more STEM, IT, and career learning in K-12 program offerings.
- Maintain positive school cultures and **retain strong teachers and support staff.**
- Use buildings for added **infant through age 3 child care** with a community partner and/or for employee childcare.
- Repurpose buildings/convert surplus **space for community use** for day care, elder care, etc.
- **Lease buildings to childcare and/or community partners** that will provide school and community impact.
- **Combine facilities** to increase usage in buildings.
- If **selling land or repurposing facilities**, prioritize beneficial community use, including green space, recreation centers, and affordable housing opportunities.

**PRINCIPAL/DISTRICT STAFF SESSIONS: COMMON THEMES**

- **Additional K-8 schools.** Intentional program offerings to **provide electives in K-8 model.**
- Intentional program offerings to better **align elementary schools to MS/HS programs.**
- **Retain teachers and support staff to create/sustain a positive culture.**
- **Expand hands-on career learning** to provide increased opportunity to earn industry certifications.
- Combine offerings to **maximize space while maintaining personalized culture.**
- Use buildings for added **infant through age 3 child care** with community partner and/or for employee childcare.
- **Lease to other childcare and/or after-care partner.**

**SCHOOL ENROLLMENT AND HISTORY**

Oldsmar Elementary currently has a K-5 enrollment of 383 students with a building capacity of 718 student stations. Current building utilization is 53%. Expanding to offer grades K-8 is expected to increase total enrollment to 694 students following phased implementation, increasing total utilization to 97%.

Planning for Progress, January 2026

### ACADEMIC EXCELLENCE AND PROGRAM OFFERINGS

“Where learning is a family affair,” is the Oldsmar ES motto. This describes the dedication of the school community to meet the needs of each and every scholar. Oldsmar ES has demonstrated excellence in student outcomes, earning an A or B from the Florida Department of Education since 2014. The expansion of Oldsmar ES to a K-8 school extends the high-quality academic programming and reduces the number of school transitions for students within a geographically isolated community in Pinellas County.

| 2024-25 SCHOOL GRADE   |                        |
|------------------------|------------------------|
| Oldsmar ES<br><b>A</b> | Carwise MS<br><b>A</b> |

Academic program enhancements and grade configuration changes are designed to support academic achievement, reduce the number of transitions for students and families, and improve student success. Based on current school grade rules, and utilizing current Carwise students who would be eligible to attend Oldsmar K-8, both Oldsmar K-8 and Carwise MS are estimated to maintain school grades of A.

OTHER SCHOOL IMPACTS

**Carwise MS**  
May experience a slight decrease in enrollment. Overall utilization of the site would be minimally impacted.

**Forest Lakes ES**  
Explore grade expansion, if demand exceeds the capacity at Oldsmar K-8 over time.

### FISCAL AND OPERATIONAL EFFICIENCY

#### RECENT FACILITIES MAINTENANCE

| PROJECT           | YEAR | INVESTMENT COST |
|-------------------|------|-----------------|
| Exterior Painting | 2020 | \$250K          |
| Carpet/Tile       | 2016 | \$816K          |
| Roof              | 2014 | \$1.8M          |

#### ESTIMATED FACILITIES INVESTMENT

The current Oldsmar ES site can accommodate classroom space for the K-8 program model. Updates for the middle-grade science classrooms may be needed, with an estimated cost of approximately \$200K. This update will be phased over the implementation of the K-8 and will not need to be completed for the 2026-27 school year.

This recommendation may require additional capital investment in the Oldsmar Service Center buildings adjacent to the current Oldsmar ES site. To convert the service center to usable space, facility updates will require demolition and land elevation, as it is located in a coastal high-hazard zone. The estimated cost exceeds \$3M. The district will leverage the support and commitment of the City of Oldsmar for a K-8 school.

# MCMULLEN-BOOTH ELEMENTARY

## EXPAND EMPLOYEE CHILD CARE PROGRAM TO MCMULLEN BOOTH ELEMENTARY.

pcs

CHERRY HILLS SCHOOL DISTRICT

MCMULLEN BOOTH ELEMENTARY

RECOMMENDATION  
JANUARY 2026

RECOMMENDATION: EXPAND EMPLOYEE CHILD CARE PROGRAM TO MCMULLEN BOOTH ELEMENTARY

This recommendation **creates a North County Employee Child Care Center located at McMullen Booth ES beginning in the 2026-27 school year.** Buildings six (6) and seven (7) would be repurposed for Employee Child Care to serve ages six months through three (3) years. All other buildings will be utilized for the current elementary school programming. The elementary school will maintain the current zone.

COMMUNITY INPUT SUMMARY: RECEIVED AS OF 1/16/26

PLANNING FOR PROGRESS MEETINGS: COMMON THEMES

- Additional K-8 schools. Call for continuity and smoother transition for students in a K-8 model.
- Intentional program offerings that provide more STEM, IT, and career learning in K-12 program offerings.
- Maintain positive school cultures and retain strong teachers and support staff.
- Use buildings for added infant through age 3 child care with a community partner and/or for employee childcare.
- Repurpose buildings/convert surplus space for community use for day care, elder care, etc.
- Lease buildings to childcare and/or community partners that will provide school and community impact.
- Combine facilities to increase usage in buildings.
- If selling land or repurposing facilities, prioritize beneficial community use, including green space, recreation centers, and affordable housing opportunities.

PRINCIPAL/DISTRICT STAFF SESSIONS: COMMON THEMES

- Additional K-8 schools. Intentional program offerings to provide electives in K-8 model.
- Intentional program offerings to better align elementary schools to MS/HS programs.
- Retain teachers and support staff to create/sustain a positive culture.
- Expand hands-on career learning to provide increased opportunity to earn industry certifications.
- Combine offerings to maximize space while maintaining personalized culture.
- Use buildings for added infant through age 3 child care with community partner and/or for employee childcare.
- Lease to other childcare and/or after-care partner.

SCHOOL ENROLLMENT AND HISTORY

McMullen Booth ES is an accredited International Baccalaureate World School with a K-5 enrollment of 363 students and a building capacity of 760 student stations. Current building utilization is 48%. Repurposing buildings six (6) and seven (7) for Employee Child Care would decrease student stations by approximately 215 for the elementary school program, resulting in a utilization of 67%.

TABLE: MCMULLEN BOOTH ES CAPACITY & ENROLLMENT

● KG ● 01 ● 02 ● 03 ● 04 ● 05 ● 06 ● 07 ● 08 ● 09 ● 10 ● 11 ● 12 ● Permanent Seats ● Program Capacity - GenEd

Year Opened: 1997  
Grades Served: PK-5  
Site Utilization Impact: Repurposing two buildings reduces 215 student stations and increases utilization of the elementary school program to 67%.

Official Count Snapshot Data (Survey 2), FISH and Program Capacity  
Tables demonstrate student enrollment in bar charts, total permanent building capacity (student stations) in the grey line graph, and staffing for the student population and programs in the teal line.

CHERRY HILLS SCHOOL DISTRICT

MCMULLEN BOOTH ELEMENTARY

RECOMMENDATION  
JANUARY 2026

ACADEMIC EXCELLENCE AND PROGRAM OFFERINGS

MCMULLEN BOOTH ES

McMullen Booth ES is an International Baccalaureate World School where every student learns and thrives as compassionate, global citizens. Learning is done through inquiry-based exploration, and a second language is offered for students from PreK through grade 5. The school has on-site gifted services and also serves exceptional education students, including an ASD program for students with autism. While the recommendation would move all classrooms to buildings 1 through 5, all programming will remain supported.

2024-25  
SCHOOL GRADE  
McMullen Booth ES  
B

Academic program enhancements are designed to support high-quality learning environments, academic achievement, and student success.

EMPLOYEE CHILD CARE

Modeled after the successful program at the Bette Ra Ivey Discovery Center, the Employee Child Care Center at McMullen Booth ES demonstrates the district's commitment to the staff experience. As the North County location, McMullen Booth ES is conveniently located off of McMullen Booth Road in North Clearwater.

EMPLOYEE CHILD CARE FEATURES

Strong, developmentally appropriate curriculum led by high-quality, licensed staff.

Family-centered options that support early learners from 6 months through three (3) years.

Supportive learning environment with tuition and fees below market rate.

FISCAL AND OPERATIONAL EFFICIENCY

RECENT FACILITIES MAINTENANCE

| PROJECT           | YEAR | INVESTMENT COST |
|-------------------|------|-----------------|
| Interior Painting | 2024 | \$160K          |
| PE Restrooms      | 2023 | \$104K          |
| HVAC Chiller      | 2019 | \$314K          |

ESTIMATED FACILITIES INVESTMENT  
This recommendation will require approximately \$700K in additional capital investment for buildings six (6) and seven (7) to comply with all child care licensing requirements. Renovations include fencing around the buildings, exterior doors for all child care classrooms, and the installation of an age-appropriate playground for early learners.

ESTIMATED FINANCIAL IMPACT  
The Employee Child Care program will generate revenue through tuition while continuing to offer PCS staff rates below the comparable market. The goal is to cover all costs and be a fiscally self-sustaining program within two (2) years of implementation.

NEXT STEPS:

RECOMMENDATION COMMUNICATION & ENGAGEMENT

- Notification:
  - Tuesday, January 20, 2026.
  - Email and phone communication regarding the recommendation sent to families, staff members, and school-based community partners.
- Staff Meetings
  - Staff should refer to their PCS email for dates/times.

HUMAN RESOURCES

- Meet with faculty and staff members who may have specific questions regarding the recommendation and how it may impact them individually.
- If the recommendation is approved by the School Board, prepare to hire child care staff and advertise to staff interested in having their child(ren) attend the new center in 2026-27.

OPERATIONS AND FACILITIES

- If the recommendation is approved by the School Board, begin the process to make physical updates to buildings six (6) and seven (7) to meet all licensing requirements.

CROSS BAYOU ELEMENTARY

RECOMMENDATION

JANUARY 2026

ACADEMIC EXCELLENCE AND PROGRAM OFFERINGS

Cross Bayou ES has earned a school grade of C since the 2013-14 school year. The recommendation for closure and rezoning ensures that students will attend schools with a proven track record of success in student achievement.

*Students who live west of 66th Street N will be zoned for Bardmoor ES.* Bardmoor ES is an A-rated school that serves students in grades PK-5 and promotes a college and career culture through schoolwide Advancement Via Individual Determination (AVID) strategies. Additionally, Bardmoor has programming for students with autism and a Dual Language Immersion magnet program.

*Students who live east of 66th Street N will be zoned for Pinellas Central ES.* Pinellas Central ES is an A-rated school that serves students in grades PK-5 with a schoolwide focus on reading, writing, and early literacy success. The school is committed to being family- and community-focused in order to ensure successful student outcomes.

*Students, staff, and supports within the D/HH program will attend Walsingham Oaks K-8.* Walsingham Oaks serves students in grades K-8. The school embraces innovative learning opportunities and maintains a strong reputation for partnerships with families and community members.

Transportation may be provided in alignment with School Board Policy.

FISCAL AND OPERATIONAL EFFICIENCY

RECENT FACILITIES MAINTENANCE

| PROJECT              | YEAR | INVESTMENT COST |
|----------------------|------|-----------------|
| Carpet/Flooring      | 2023 | \$600k          |
| Roof/Covered Walkway | 2019 | \$854K          |

ESTIMATED FACILITIES INVESTMENT

The Cross Bayou ES site has over \$5.1 million in capital improvement investments (e.g., roof replacement, painting, front office expansion, and refrigerator/cooler replacement) that will be needed in the upcoming years. Both Bardmoor and Pinellas Central elementary schools have undergone recent, comprehensive renovations.

DISSTON ACADEMY

RECOMMENDATION  
JANUARY 2026

RECOMMENDATION: CLOSE DISSTON ACADEMY AND SELL/LEASE THE PROPERTY

This recommendation **closes Disston Academy at the end of the 2025-26 school year**. Disston Academy is an Educational Alternative Services (EAS) program that currently serves 52 students on the campus in grades 6-12. The program provides students an accelerated pathway to get back on track to acquire required credits for high school graduation. The site also houses the district's Teleschool program, a virtual program serving approximately 200 middle and high school students who have been administratively placed due to significant infractions of the Code of Student Conduct at their assigned schools. **Teleschool will relocate to Bayside HS at the end of the 2025-26 school year**. Upon closure, the recommendation includes **selling or leasing the property** following the established district procedures.

COMMUNITY INPUT SUMMARY: RECEIVED AS OF 1/16/26

PLANNING FOR PROGRESS MEETINGS: COMMON THEMES

- **Additional K-8 schools.** Call for continuity and smoother transition for students in a K-8 model.
- **Intentional program offerings** that provide more STEM, IT, and career learning in K-12 program offerings.
- Maintain positive school cultures and **retain strong teachers and support staff**.
- Use buildings for added **infant through age 3 child care** with a community partner and/or for employee childcare.
- Repurpose buildings/convert surplus **space for community use** for day care, elder care, etc.
- **Lease buildings to childcare and/or community partners** that will provide school and community impact.
- **Combine facilities** to increase usage in buildings.
- If **selling land or repurposing facilities**, prioritize beneficial community use, including green space, recreation centers, and affordable housing opportunities.

PRINCIPAL/DISTRICT STAFF SESSIONS: COMMON THEMES

- **Additional K-8 schools.** Intentional program offerings to **provide electives in K-8 model**.
- Intentional program offerings to better **align elementary schools to MS/HS programs**.
- **Retain teachers and support staff to create/sustain a positive culture**.
- **Expand hands-on career learning** to provide increased opportunity to earn industry certifications.
- Combine offerings to **maximize space while maintaining personalized culture**.
- Use buildings for added **infant through age 3 child care** with community partner and/or for employee childcare.
- **Lease to other childcare and/or after-care partner**.

SCHOOL ENROLLMENT AND HISTORY

Disston Academy has a n enrollment of 52 students in grades 6-12, with a building capacity of 311 student stations. Current building utilization is 17%. Originally, in 1926, a portion of the site was built as the home to Gulfport Junior High School. The current building, later became Hamilton Disston ESE School, which closed in 2013. In October 2024, the Disston Academy program was relocated to Lealman Innovation Academy for the remainder of the 2024-25 school year, allowing the site to be used by Gulf Beaches ES after hurricane damage to its campus. The site also includes a building known as the 'Disston Annex,' which is currently not usable. The School Board approved it to be razed in June 2025.

TABLE: DISSTON ACADEMY CAPACITY & ENROLLMENT

● K-5 ● 6-8 ● 9-12 ● Permanent Seats ● Program Capacity - GenEd

Year Opened: 1926 as Gulfport Junior High School. 1990 as Hamilton Disston ESE School. 2013-14 as Disston Academy.

Grades Served: 6-12

Site Utilization Impact: Decreases student stations by 311.

Official Count Snapshot Data (Survey 2), FISH and Program Capacity  
Tables demonstrate student enrollment in bar charts, total permanent building capacity (student stations) in the grey line graph, and staffing for the student population and programs in the teal line.

CLAY COUNTY SCHOOLS

DISSTON ACADEMY

RECOMMENDATION  
JANUARY 2026

ACADEMIC EXCELLENCE AND PROGRAM OFFERINGS

Disston Academy serves students who are off track and in need of acceleration to meet graduation requirements. The program has earned a school improvement rating of 'maintaining' since the 2021-22 school year. The district has the capacity to serve all students currently enrolled at Disston Academy within established EAS programs located throughout the county. Transportation may be provided in alignment with School Board Policy.

2024-25  
SCHOOL IMPROVEMENT RATING

Disston Academy  
Maintaining

Alternative schools receive a school improvement rating in lieu of a school grade.

| DISTRICT EAS PROGRAMS    | 2024-25<br>SCHOOL IMPROVEMENT RATING | LOCATION         |
|--------------------------|--------------------------------------|------------------|
| Bayside HS               | Commendable                          | Largo/Clearwater |
| Lealman Innovation       | Maintaining                          | St. Petersburg   |
| Pinellas High Innovation | Commendable                          | Clearwater       |

**Teleschool** is a virtual program for students administratively placed in the program due to significant infractions of the Code of Student Conduct at their assigned schools. Students are not physically on campus for instruction, therefore, relocating the program to Bayside HS will not impact student learning.

FISCAL AND OPERATIONAL EFFICIENCY

RECENT FACILITIES MAINTENANCE

| PROJECT               | YEAR | INVESTMENT COST |
|-----------------------|------|-----------------|
| Carpet/Flooring       | 2024 | \$417K          |
| Roof/Covered Walkways | 2021 | \$322K          |

ESTIMATED FACILITIES INVESTMENT

This site needs significant investment to address the building envelope and the roof, with an estimated cost of \$2M to repair and/or \$500K to demolish the existing structures. In lieu of repair, the recommendation is to sell or lease the property as-is.

ESTIMATED FINANCIAL IMPACT

Total Savings: \$1.9M/year  
Personnel: \$1.5M/year  
Operational: \$380K/year

Capital Investment: None recommended at this time. The recommendation is to sell or lease the property as-is.

NEXT STEPS:

RECOMMENDATION COMMUNICATION & ENGAGEMENT

- **Notification:**
  - Tuesday, January 20, 2026.
  - Email and phone communication regarding the recommendation sent to families, staff members, and school-based community partners.
- **Staff Meetings**
  - Staff should refer to their PCS email for dates/times
- **Family and Community Meeting #1 - Recommendation Overview**
  - Tuesday, January 27, 2026 at 5:00 pm.
- **Family and Community Meeting #2 - Recommendation Follow-Up**
  - Tuesday, February 3, 2026 at 3:00 pm.

To learn more about or provide feedback on any district recommendation, visit [www.pcsb.org/progress](http://www.pcsb.org/progress).

HUMAN RESOURCES

- Meet with faculty and staff members who may have specific questions regarding the recommendation and how it may impact them individually.
- If the recommendation is approved by the School Board, Human Resources will provide direct, individualized support to staff to identify a new assignment for the 2026-27 school year.

SCHOOL COMMUNITY ENGAGEMENT

- If the recommendation is approved by the School Board, ongoing support to Disston Academy students and families will be provided to enroll in programs that meet each student's individual needs.

OPERATIONS AND FACILITIES

- If the recommendation is approved by the School Board, begin the process to sell or lease the property after the 2025-26 school year.
