

**Website:** [www.xlntbrain.com](http://www.xlntbrain.com)

**Organization Code:** DEMATHA STAG 2026 (not case sensitive, include spaces)

**Students:** Go to website and click “Register” in the top right corner  
Enter the code from above and click “Submit”  
Complete the boxes on the left side of the page and click “Register”  
Click “Join as athlete” and continue the registration process

1. There is a short concussion awareness video and a 5 question quiz that you must pass before continuing
2. Click any teams you are considering trying out for, if you do not play any sports click Student
3. At the top of the screen click “start cog test”

The test will take around 30min to complete. It is important for you to take the test seriously, and avoid distractions during this time (ie: phone, tv, music)

**Guardians:** Begin the registration process using the same code as the students, click “Join as Guardian”, and complete the video quiz.

When your son creates his account, he will be given an ID (in the upper righthand corner of his home page). On the left side of your account, click “Relationships” and use your son’s ID to link his account to yours. You will have access to all of his test results/progressions should he suffer a concussion while at DM.
