District Annual Education Report (AER) Cover Letter

January 13, 2026

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2024-2025 educational progress for Southgate Community School District and our individual schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact our Board Office for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following website:

Review the table below listing our schools. For the 2025-2026 school year, schools were **identified based on previous years' performance** using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup.. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.
