Volunteer Opportunity - Resource Room

Mrs. Brooks in the Resource Room is looking for **parent volunteers** to **create speech-to-text accommodated Google Slide decks for the Arts & Letters curriculum**. This work will support students who use speech to text accommodations daily in their classrooms. Each slide deck takes about 2 hours to create and there are 14 decks to create.

If you're interested in helping out, please contact Rose Brooks: brooksr@aaps.k12.mi.us
