Healthcare Services from Affinity Health Center:

We make becoming a patient as easy as possible, providing essential medical services to uninsured at a discounted cost, based on income. We also serve those with Medicaid, Medicare and other private insurance including Affordable Care Act plans. We offer convenient access to care through TeleVisits and Patient Portal.

Primary Care & Specialist Referrals

Affinity Health Center is your health care home for your entire family, serving all ages with preventative and primary care.

HIV Specialty Care

Affinity Health Center offers a wide range of specialty care and support services for patients living with HIV, including primary care, specialty care, referrals, education, and more.

Hepatitis C Treatment

Hepatitis C is now a curable condition. Affinity Health Center is a statewide leader in Hepatitis C testing and treatment.

Onsite Dental Care

Our onsite dental services are available for all patients. This affordable access to oral healthcare includes: consultation, cleanings, fillings, x-rays, extractions and more to keep your smile at its best.

Case Management

The expert staff at Affinity Health Center can help you access community resources, access housing resources, coordinate transportation, sign up for insurance, and much more.

Diabetes Care & Support

Our Community Health Workers and medical care providers can help you plan diets, counsel you on nutrition & supplements, and help you create a plan to improve your health.

Onsite Pharmacy

Save time and money. Avita Pharmacy and their expert pharmacists are conveniently located in the lobby of our Rock Hill Main Site. Discounts available for those uninsured.

Behavioral Health

Our counselors are ready to help you through difficult times. Offering talk therapy and psychiatric medication management.

Women's Health & Birth Control

Stay healthy with annual well woman exams, pregnancy testing and obstetric referrals. Ask us about free or low cost birth control options.

Free HIV, STD & Hepatitis C Testing

Ready when you are. Free walk-in HIV, STD & hepatitis C testing at our Rock Hill Main Site. We also provide prevention education programs for the entire community.

PrEP, PEP & STD Treatment

Your sexual health is important. We offer first available appointments for STD treatment. We help you access HIV prevention methods like PrEP or PEP that work for you.

Addiction Recovery Services

We're here to help you access recovery programs for substance use disorder and even provide in house medication assisted treatment options for opioid addiction.
