Dear Students and Parents/Guardians:

Tooele Junior High Counselors will be coming to the elementary schools to help all 6th grade students who will be attending Tooele Junior High School for the 2026-2027 school year complete their 7th grade online course requests. A course request form is included for you to complete beforehand. Students, please return your completed form to your 6th grade teacher before your scheduled day and time. Before making your course selections, attend Welcome Night and review the course descriptions to learn about the classes.

For course descriptions, applications, etc., please visit

Extreme care should be used in the selection of your classes. Classes and staffing decisions are made based on what you select now. Later class changes may be impossible to make.
