AE Choice just got a little more exciting! For the first time we are offering Enrichment opportunities during AE where you can learn something new! You will still have freedom to makeup a test or visit a teacher on days where you need support, but you will have a regularly scheduled AE Enrichment section to attend. These offerings will switch at the 10-week grading period. Our first 2 topics that we're offering are:

- Sports Cards - An introduction to the history of sports cards and an overview of modern sports card collecting. This will include discussion on graded slabs, card shows, whatnot breaks, and more! This class will be hosted by Mr. Cohen (room 2210)
- Welcome to the 90s! - A look at all things popular and cool from the 90s - music, culture, TV and film, famous personalities, and all things rad from that decade! This class will be hosted by Mr. Hatch (room 2327)

To enroll in this AE section, please register on the google form. If you want to ask the teachers any questions, please drop by their room before the deadline. There are only 30 spots available in each section – first come, first served — so sign up TODAY! Google Form: https://forms.gle/vQWMWbt7NWbsbLsLA

Current 9th graders plan to continue in the **NAF Academy** program next year; must re-register to remain in the program. Non-NAF 9th graders and 10th graders are encouraged to join by registering using the same forms. You can access the registration form through the provided links or by visiting our NAF website under the "Apply to NAF" tab.
