

1/16/26

Dear Wyoming Families,

It has been great to see our students back in full swing this school year. Recently, we were proud to send our Model UN team to the University of Michigan to participate in a conference, where they are representing our school with professionalism and enthusiasm. Earlier this week, report cards were distributed, providing an opportunity to reflect on student progress and celebrate growth. We encourage families to continue having open and meaningful conversations with students about their goals, accomplishments, and areas for continued development, as this ongoing dialogue can have a powerful and positive impact on student success.

As we look ahead, the scheduling process for the 2026–2027 school year is on the horizon. In the coming weeks, we will share the Course Guide and hold informational meetings during the school day to help students prepare for their course selections. Families should be on the lookout for additional information regarding upcoming meetings planned for early February. Throughout this process, we will also share important details related to CCP and Flexible Credit opportunities.

Thank you for your continued support and collaboration. We wish everyone a wonderful weekend!

District Update:
