School Annual Education Report (AER) Cover Letter

January 6, 2026

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the **2024-2025** educational progress for North Pointe Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Danielle Jozwiak, Principal, for assistance.

The AER is available for you to review electronically by visiting the following website ELA Report for Grades: 3-5 and Math Report for Grades: 3-5, or you may review a copy in the main office at your child's school.

For the 2025-26 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in the previous year An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in previous years. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in the previous year. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as Universal Support; Not identified for CSI, ATS, or TSI

The school improvement goals continue to target all students who are proficient in literacy and mathematics. The initiatives we have put in place include Multi-Tiered Support Systems (MTSS), Positive Behavior Intervention Supports (PBIS), and Social-Emotional Learning (SEL). We have also implemented the NWEA assessment, which allows us to see student growth over time, as well as the areas of need for individuals and groups of students. We use NWEA data to support our MTSS and Block Scheduling programs that utilize targeted small-group instruction based on academic needs whether remedial or enrichment.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Southgate continued the school improvement process in accordance with Public Acts 25, 335, 339, the federal NCLB, and requirements for Title I using the School Systems Review Report and the School Improvement systems as models. The district's mission statement guided the work of the School Development Teams in each school. http://www.southgateschools.com

IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

A copy of Southgate's Core Curriculum can be found on the district website, www.southgateschools.com.

THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

The Southgate Community School District administers the NWEA assessment three times per year (fall, winter and spring). This is a nationally normed test that shows the academic growth of students over time. This assessment began in our district in the 2018 - 2019 school year.

IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

Each building has a day in the fall and a day in the spring dedicated to Parent-Teacher conferences. In grades, K-5 parents are given a scheduled time to visit their child's building to discuss their individual progress.

Year	# Students Represented	% Students Represented
Fall 2023	138	99%
Spring 2024	139	98%
Fall 2024	209	99%
Spring 2025	209	99%

Southgate Schools is dedicated to continuous improvement and consistently analyzes student achievement data to monitor progress. Although there are areas of needed improvement, Southgate teachers, parents, staff, and students should be commended for their efforts in many areas that have continued to show student growth.

Sincerely,

Danielle Jozwiak
