District Technology Policy

The Long Beach Unified School District (LBUSD) Device and Social Media Policy will officially go into effect on Monday, January 26, 2026. At Stanford, students & parents are being told the policy in multiple ways. Thank you for your support of our commitment to maintain a focused and safe learning environment. Reminder ALL technology items need to be turned off and remain in the students' backpack while on campus. Those who do not follow this policy will have their phones brought to the office.
