DUNELAND SCHOOL CORPORATION

ParentSquare for PARENTS

https://www.parentsquare.com/signin

CONNECTIONS

ParentSquare allows Duneland Schools to communicate across one unified platform with families and staff via phone, text, email, and the **ParentSquare** app.

Families receive district and building-level messages regarding emergencies, school closures, news, information, and updates.

ACTIVATION

Activating will allow you to maximize ParentSquare

If you haven't activated your **ParentSquare** account, you will be receiving an email or text invitation with a link asking you to join.
You can also use your email or phone number to set up your account.

PREFERENCES

Set Your Notifications

When a post is sent to families, **ParentSquare** will send it via text, email & the **ParentSquare** app.

Activated parent accounts can set their text, email & app preferences to receive messages instantly or once a day (Digest). In the case of an urgent alert, the district can bypass those settings so messages will be received instantly. ***Do NOT disable SCHOOL ALERTS**

THE APP

ParentSquare accounts are automatically created for families based on the contact information already provided to the schools via Skyward. Parents are encouraged to activate their accounts using the cell phone number or email address associated with the schools. Download the **ParentSquare** app.

TIPS & TRICKS

Once your account is activated, you can access these resources

- Parent Dashboard
- Parent Dashboard App
- Managing Notifications
- Overview Video & Resources
- FAQ Reference Sheet
- ParentSquare Registration Sheet
