DEAR WASHINGTONIANS:
 I want to thank all of you for your support of my voyage overseas to London, England. It is a city not only of beautiful sites but it also has a hospitable population. If any of you ever receive the chance to travel abroad, I advise you to take it. The International Student Ambassador Program afforded me the opportunity of a lifetime, and again to my fellow Washingtonians I extend my deepest gratitude.

SABRE

DAY "91"

WASHINGTON HIGH SCHOOL JUNIOR ROTC DEPARTMENT PRESENTS

SABER DAY

PRINCIPAL
DR. ROBERT E. LOWE

BATTALION COMMANDER
C/MAJ GERALD WALKER

23 OCTOBER 1991

1:30 P.M.

PURPOSE OF SABRE DAY

Sabre Day, is by tradition, the day on which the cadet officers of Atlanta Public High Schools in the Junior ROTC units are commissioned and receive their sabres from their parents or guardians. Although the exact origin of Sabre Day is not known, it is believed to have begun in the days of ancient Sparta years before Christ. This event marked the entry into military service of each young Spartan and with it the responsibility of Adulthood. To meet this requirement, they were presented a sword and shield by their mother. In keeping with this ancient tradition, the Officers' sponsors will assist in the presentation. The sabres symbolize the leadership responsibility each officer accepts.

There will be a reception in the Sattelite Cafeteria immediately following today's program. Parents, sponsors, and special guests are cordially invited to come and observe our JROTC Department.

OATH OF OFFICE

"I, (full name), accept appointment as a cadet officer in the Reserve Officer Training Corps, Booker T. Washington High School, Atlanta, Georgia, with full knowledge of the responsibilities attached to the position and subject to the rules and regulations prescribed."

"I agree to perform the duties of my office to the best of my ability, to accept the responsibilities thereof and to conduct myself in an honorable manner at all times. I further understand that I must continue, throughout the school year, to demonstrate my ability to hold the office to which I have been appointed. So help me God."

TEACHER OF THE YEAR

Mrs. Juanita Pace Suttle

Mrs. Suttle has been an English teacher at Washington High School since 1984. She received her Bachelor's degree from Clark College and her graduate degree from Atlanta University. Mrs. Suttle chose teaching as a career because it offers the professional challenge and fulfillment that she needs. She says that interacting with students and job autonomy are two of the rewards that she gets from teaching, and her success is attributed to her students.

As a wife and mother of two, Mrs. Suttle is very committed to her community. She is a member of various service organizations and associations. We salute you, Mrs. Suttle, Our Teacher of the Year.

Student Affairs
February 21, 1992

Miss Judy Clary
615 Rock Street NW
Atlanta GA 30314

Dear Miss Clary:

Congratulations on being named a 1992 Georgia Certificate of Merit winner! Your school nominated you for one of the oldest high school recognition programs in the South. The University of Georgia started this program in 1959 to identify our state's most academically talented high school students. Since 1970 the State and the University have co-sponsored this effort to encourage winners to investigate the wide diversity of educational opportunities in Georgia.

As a Georgia Certificate of Merit winner you are one of 3,600 Juniors ranked among the top five percent in their classes at almost 400 Georgia high schools. You also have joined some 60,000 of our state's "brightest and best" who have preceded you as winners over the past 31 years. Certificates are being mailed to school counselors for distribution, possibly at spring honors assemblies. Though your recognition brings no direct monetary reward, many Certificate winners will earn academic scholarships from prestigious colleges or programs like National Merit and the Georgia Scholar Program. The University also makes your name available to all Georgia colleges so they may provide you with information about their scholarships and honors programs.

Again, we congratulate you and the family, friends, and faculty who have supported you. As your state's flagship institution of higher education, we wish you the best as you continue on your path of excellence.

Yours truly,

Claire C. Swann
Director of Admissions

P.S. So that we may know more about you and your accomplishments, or to let us know of any immediate concerns, please complete the enclosed "Superior Student Portfolio" card. We will also be mailing you complete packages of admissions and scholarship information about the University before next fall.

Dear Ms. Hunley:

I am delighted to let you know that you have been selected to receive the Children's Defense Fund's (CDF) 1992 Atlanta "Beat the Odds" award. The award will be presented to you and four other Atlanta students at a dinner program on Friday evening, March 6, 1992 at the Marriott Marquis Hotel, 625 Peachtree Center Avenue, N.W.

Your perseverance and success despite obstacles that would have deterred many should be rewarded, and the Children's Defense Fund hopes to do just that in an evening that will celebrate you and your peers. Individuals from the world of entertainment, the arts and journalism will be with us to present these awards.

For 18 years, CDF has provided a strong and effective voice for the children of America. Our goal is an America in which young people are not faced with the kinds of hurdles you have had to overcome. Your spirit inspires our work and we thank you.

This dinner celebration is a part of our national conference and we expect about 1,500 people. You will be our guest for the event and hope that you will bring three adults who are significant to you, parents/guardians and someone from your school who will also be guests of CDF.

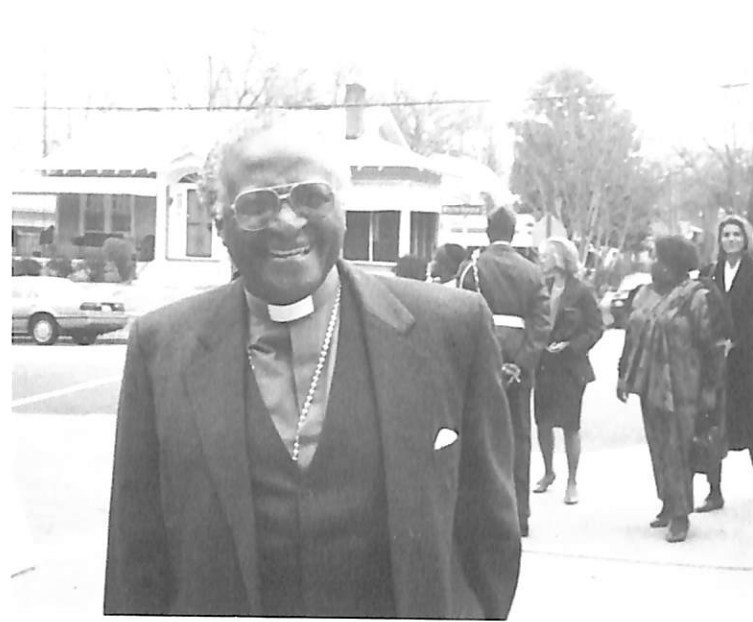

Eve Wilkins of my staff will be in touch with your school counselors to work out the details of your attendance. Turner Broadcasting will make arrangements to film a video that will focus on you and how you "beat the odds". I look forward to meeting you Friday, March 6th.

Sincerely yours,

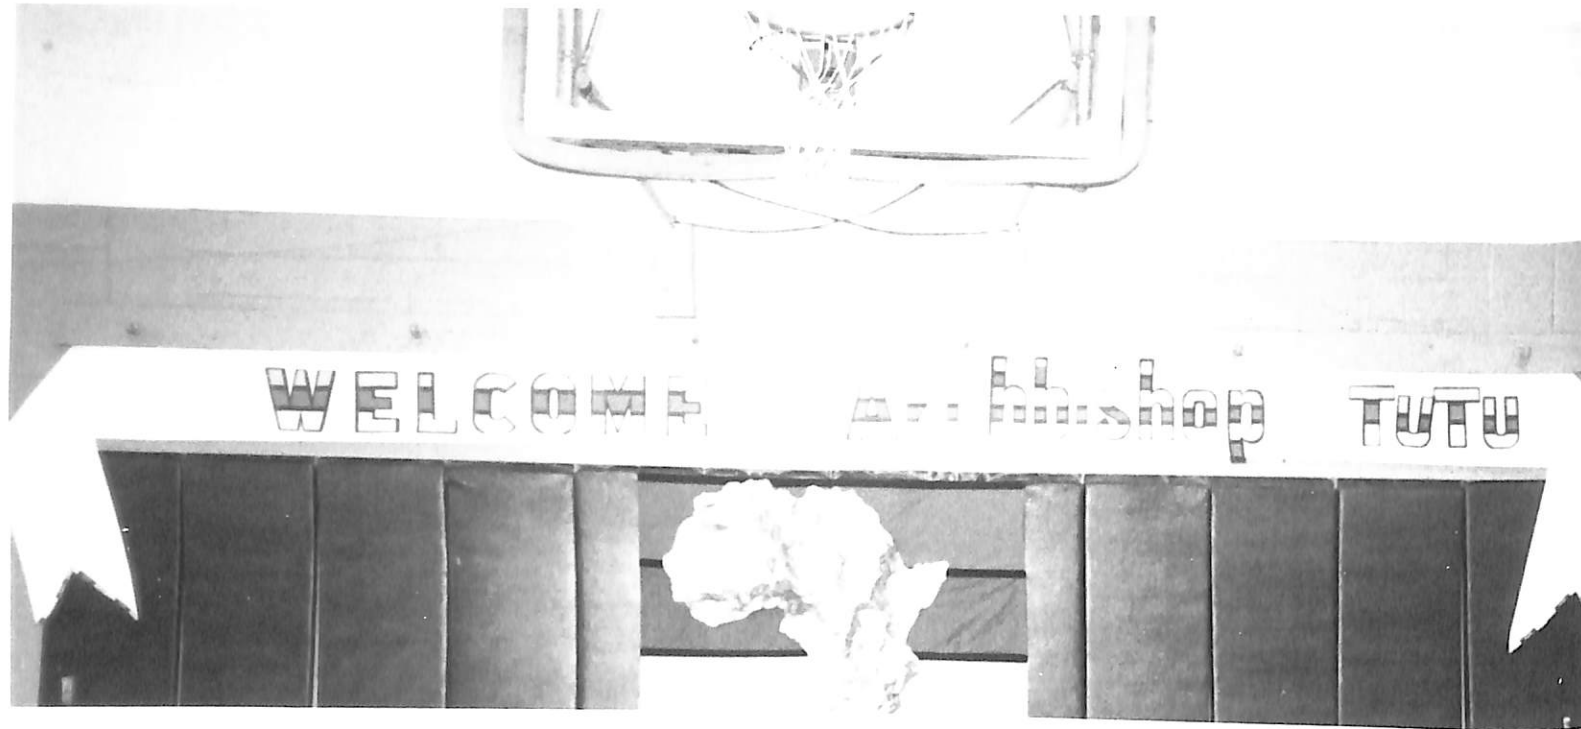

Marian Wright Edelman

**VOCATIONAL EDUCATION STUDENT ORGANIZATIONS
For Leadership, Learning . . . And Fun!**

Future Business Leaders of America--
FBLA is committed to motivating and preparing American youth for careers in business and business education. Membership is open to high school students who have taken business courses or currently taking business courses and are interested in business careers.

Future Homemakers of America--
Members develop leadership "skills for life" through home economics education and programs emphasizing personal growth, peer education, family communication/cooperation and community service.

Vocational Industrial Clubs of America--
VICA is an organization for students enrolled in trade, industrial, technical and health occupations classes. VICA strives to develop the whole student, including leadership and interpersonal skills as well as occupational training.

CONGRATULATIONS CLASS of '92

INTEGRITY!

"INTEGRITY" is the Priceless Ingredient that will enable you to forge rapidly ahead on the highway that leads to success. It is the first step toward TRUE GREATNESS!

You will build a reputation for INTEGRITY when people say of you that YOUR SPOKEN WORD is as inviolate as your signature on a document — that YOU keep your promises even in regard to minor matters — that YOU stand up well to responsibilities — discharge your obligations promptly — are FAIR and JUST — FAITHFUL and TRUE — HONEST and FEARLESS — a person on whom others can thoroughly depend.

INTEGRITY is one of the most powerful character traits YOU could possess. It advertises YOU as an individual who will ALWAYS COME THROUGH — who will do what he promises — unhesitatingly.

YOU are a person of INTEGRITY when you "LET YOUR LIGHT SO SHINE" that others may see your good works and rush to light their candles by it. It is a quality that is constantly being sought in an individual when PROMOTIONS are being handed out — when fame comes knocking at the door — when SUCCESS is looking for a PARTNER.

YOUR daily application of FIDELITY, HONESTY, SOUNDNESS, LOYALTY, VERACITY, FAITHFULNESS, CANDOR, TRUSTWORTHINESS — the spokes of that great wheel of success whose hub is INTEGRITY — can cause it to roll only in the direction which leads to the accomplishment of your most cherished desires.

With INTEGRITY you are wealthy — without it you are truly impoverished. At the dawn of each day, you are given twenty-four brand new hours with which to further strengthen YOUR chances of success — fill them with constant application of these simple but powerful principles.

The opportunities for YOUR personality expansion are not in some distant place — YOUR opportunities are IN LIVING RIGHT waiting for you to DIG IN and claim them.

Start this very moment to advertise to the world that YOU are ready for the finest of life's offerings — that YOU have acquired the priceless ingredient of personality stature — INTEGRITY!

Another example of application: As soon as man realizes that he is unafraid — THINGS BEGIN TO HAPPEN! This is concrete evidence of FAITH!

WE PAY TRIBUTE TO Mrs. Frances-Carol Thomas Peden

After 32 years of dedicated work at Booker T. Washington High School, Mrs. Peden decided to retire on February 3, 1992. A dedicated French and Spanish teacher, an orchestra director, a male chorus director, and an accompanist on piano and organ, she will be missed dearly by faculty, staff, and students.
