District Technology Policy

The Long Beach Unified School District (LBUSD) Device and Social Media Policy will officially go into effect on Monday, January 26, 2026. At Marshall, we have been implementing the expectations of this policy for several years as part of our commitment to maintaining a focused and safe learning environment. Reminder ALL technology items need to be turned off and remain in the students' backpack while on campus.

School Funding Update

Marshall is a Title 1 school, but funding is lower this year. SSC approved funding to support a full time nurse to meet our student's many health needs. However, we still need more funding to support all the great things we are doing at Marshall. Please participate in our Vertical Raise fundraiser in February! Information is being sent home.

Are you high school ready?

LBUSD considers a middle school student High School Ready when:

- Attendance is 96% or better
- GPA is 2.5 or higher
- No D or F grade in ELA or Math
- No suspensions in 8th Grade

ELPAC
English Language Proficiency Assessments for California

Thanks to our Title 1 funding and our English Language Advisory Committee, our English Learners are busy preparing for their English Language Proficiency Exam in mid February. Our next ELAC meeting will be in April. To be part of the meeting, or join the committee next year, email achikami@lbschools.net
