January 2026

Welcome back! We hope that you had time to recharge as we begin 2026. Although it is a new year, which is always a good time to set personal goals, there are still nearly three weeks until the end of the semester. One resolution we ask of all our Bobcats is to finish the semester strong and not give up if they are struggling. AHS staff is here to help. The high school offers a variety of academic support, including after-school program, peer tutoring, and time available in Cat's Connection to meet with teachers. Finals are on January 22nd and 23rd, and we will soon be halfway through the school year. Please reach out if you have any questions, and have a great month, Bobcats!

Sincerely,

Rachel Wenzel, Assistant Principal

ENERO 2026

¡Bienvenidos de nuevo! Esperamos que hayan tenido tiempo para recargar energías al comenzar el 2026. Aunque es un año nuevo, lo cual siempre es un buen momento para fijarse metas personales, todavía quedan casi tres semanas para que termine el semestre. Una de las metas que les pedimos a todos nuestros estudiantes de AHS es que terminen el semestre con éxito y que no se rindan si tienen dificultades. El personal de AHS está aquí para ayudar. La escuela secundaria ofrece una variedad de apoyo académico, incluyendo programas después de clases, tutorías entre compañeros y tiempo disponible en Cat's Connection para reunirse con los profesores. Los exámenes finales son el 23 y 24 de enero, y pronto estaremos a mitad del año escolar. Si tienen alguna pregunta, no duden en contactarnos. ¡Que tengan un excelente mes, Bobcats!

Sinceramente,

Rachel Wenzel, Asistente del director
