

Quarter 2 Wrap Up

As we approach the end of the second quarter on **January 22**, I want to thank you for your continued support and partnership - your involvement plays an important role in our students' success. Please remember there is **no school on January 19** in observance of **Martin Luther King Jr. Day**, and **no school for students on January 23**.

February Conferences

Family Conferences will take place on **Thursday, February 12 from 4:00-7:00 pm** AND **Friday, February 13 from 8:00 am to 4:00 pm**. If your family would like to schedule a virtual conference, please reach out directly to your student's teachers to make arrangements. We look forward to connecting with you and continuing our partnership to support student success.

Math and Reading Growth

We are excited to share that our students have made meaningful growth across grade levels in both Math and Reading. Recent I-Ready Diagnostic results show increased math proficiency and Fast Reading data reflects stronger reading skills and improved fluency. These gains highlight our students' hard work, our teachers' dedication, and the strong partnership we share with families. Thank you for your continued support as we celebrate this progress and keep building towards success.

Upcoming Events

- January 19 - NO SCHOOL - MLK Jr. Day
- January 22 - Last Day of Quarter 2
- January 21 - Site Council
- January 23 - NO SCHOOL - TEACHER GRADING DAY
- February 12 - Family-Teacher Conferences 4:00pm-7:00pm
- February 13 - Family-Teacher Conference 8:00am-4:00pm
- February 16 - NO SCHOOL - Presidents' Day
- February 17 - NO SCHOOL - Professional Development for Staff

Temporary Online School

Online School Enrollment Update:

Minneapolis Public Schools offered a temporary online learning option with a sign-up deadline of January 11. Our staff spent this week supporting families who requested a transition from in-person to online learning. Our enrollment window has closed at this time, though we welcome families to contact us if they have extenuating needs or questions.

Hotspot Availability:

We have requested additional internet hotspots for families in need.

Unfortunately, at this time, we do not have any hotspots available. We will reach out to families who are in need as soon as we get an update.

Student Attendance Expectations:

Students are expected to log in to their online classes **at the start of each class period** and follow their **regular daily schedule**, just as they would during the school day.

Need Support?

If your family is experiencing challenges or needs support, please contact the school. We are here to help and work with you!

STEAM Fest POSTPONED

Due to recent events in our community, we have made the difficult decision to **postpone** STEAM Fest, originally scheduled for next Thursday.

We know our students have been working hard on their projects and were excited to share them. The safety and well-being of our students, families, and staff is our top priority.

We are currently **working to reschedule** STEAM Fest and will share the new date as soon as it is confirmed. Thank you for your understanding and continued support of our school community.

Staggered Dismissal

To support a safe and smooth dismissal, we continue to use a **staggered dismissal process**.

Students will be dismissed in this order: **walkers and pick-up at Door 5, lettered buses, numbered buses, and after-school programs**. This approach helps reduce congestion and ensures close supervision. A safety plan is in place if students need to return inside. Thank you for your partnership in keeping dismissal safe and organized.

Resumen del segundo trimestre

Al acercarnos al final del segundo trimestre, el 22 de enero, quiero agradecerles su continuo apoyo y colaboración; su participación es fundamental para el éxito de nuestros estudiantes. Recuerden que no hay clases el 19 de enero por el Día de Martin Luther King Jr., ni el 23 de enero.

Conferencias de febrero

Las reuniones familiares se llevarán a cabo el jueves 12 de febrero de 4:00 pm a 7:00 pm y viernes 13 de febrero de 8:00 a. m. a 4:00 p. m. Si su familia desea programar una reunión virtual, comuníquese directamente con los maestros de su estudiante para coordinar la reunión. Esperamos poder conectar con usted y continuar nuestra colaboración para apoyar el éxito estudiantil.

Crecimiento en matemáticas y lectura

Nos complace compartir que nuestros estudiantes han logrado un progreso significativo en todos los grados, tanto en matemáticas como en lectura. Los resultados recientes del Diagnóstico I-Ready muestran un mayor dominio de las matemáticas, mientras que los datos de Fast Reading reflejan habilidades lectoras más sólidas y una mayor fluidez. Estos avances destacan el esfuerzo de nuestros estudiantes, la dedicación de nuestros docentes y la sólida colaboración que compartimos con las familias. Gracias por su continuo apoyo mientras celebramos este progreso y seguimos avanzando hacia el éxito.

- 16 de febrero - NO HAY CLASES - Día de los Presidentes
- 17 de febrero - NO HAY CLASES - Desarrollo profesional para el personal

Escuela temporal en línea

Actualización de inscripción escolar en línea:

Las Escuelas Públicas de Minneapolis ofrecieron una opción temporal de aprendizaje en línea con fecha límite de inscripción el 11 de enero. Nuestro personal dedicó esta semana a apoyar a las familias que solicitaron la transición del aprendizaje presencial al aprendizaje en línea. Nuestro plazo de inscripción ha finalizado, pero invitamos a las familias a contactarnos si tienen alguna necesidad o pregunta.

Disponibilidad de punto de acceso:

Hemos solicitado puntos de acceso a internet adicionales para familias necesitadas. Lamentablemente, en este momento no tenemos puntos de acceso disponibles. Nos pondremos en contacto con las familias necesitadas en cuanto tengamos noticias.

Expectativas de asistencia de los estudiantes:

Se espera que los estudiantes inicien sesión en sus clases en línea al comienzo de cada período de clase y sigan su horario diario habitual, tal como lo harían durante el día escolar.

¿Necesita ayuda?

Si su familia tiene dificultades o necesita apoyo, comuníquese con la escuela. ¡Estamos aquí para ayudarles y colaborar con ustedes!

STEAM Fest APLAZADO

Debido a los eventos recientes en nuestra comunidad, hemos tomado la difícil decisión de posponer el STEAM Fest, originalmente programado para el próximo jueves. Sabemos que nuestros estudiantes han trabajado arduamente en sus proyectos y estamos emocionados de compartirlos. La seguridad y el bienestar de nuestros estudiantes, familias y personal es nuestra máxima prioridad.

Estamos trabajando para reprogramar el Festival STEAM y compartiremos la nueva fecha en cuanto esté confirmada. Gracias por su comprensión y el continuo apoyo a nuestra comunidad escolar.

Despido escalonado

To support a safe and smooth dismissal, we continue to use a **staggered dismissal process**. Students will be dismissed in this order: **walkers and pick-up at Door 5, lettered buses, numbered buses, and after-school programs**. This approach helps reduce congestion and ensures close supervision. A safety plan is in place if students need to return inside. Thank you for your partnership in keeping dismissal safe and organized.
