## 2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2025-26 School Description and Mission Statement

### Our Mission

Village Oaks High School is dedicated to empowering students with the tools and support they need to excel as self-advocates, responsible managers of their lives and futures, accountable individuals, resilient problem-solvers, and critical thinkers. Through a nurturing and inclusive environment, we strive to provide a personalized learning experience that fosters growth, independence, and lifelong success.

### Our Vision

At Village Oaks High School we strive to cultivate a community of confident and capable graduates who embody the principles of self-advocacy, effective management, accountability, resilience, and critical thinking. We envision our students leaving prepared to not only meet life's challenges, but to actively shape their futures, contribute to society, and achieve their fullest potential.

Village Oaks High School was established in August 2015 through the merger of Sture Larsson and John McCandless High Schools. Village Oaks High School is fully accredited by WASC and earned a six-year accreditation term—the highest possible—during its most recent review in the 2024–2025 school year. In addition, Village Oaks High School, along with its predecessor schools, Sture Larsson and John McCandless, has been recognized as a Model Continuation High School during the 2010–2011, 2014–2015, 2017–2018, 2020–2021, 2022–2023, and 2024–2025 school years. Village Oaks High School currently serves students in grades 10 through 12 who require additional academic and social-emotional support to earn a high school diploma or who are seeking an alternative, small-school learning environment.

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Following a public hearing the LUSD Board of Education has found that sufficient textbooks and instructional materials are available to each student in Reading/Language Arts, Mathematics, Science History/Social Science and Health. All students, including English Learners have textbooks or instructional materials, or both, to use in class or to take home through online versions.

### School Facility Conditions and Planned Improvements

Village Oaks High School is an older school, but it is well maintained and provides adequate size for students and staff. Maintenance repairs happen in a timely manner. There are enough classrooms to meet the needs of students and staff. The custodians do nightly cleanings of all classrooms and office space.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

<b>Mathematics</b> (grades 3-8 and 11)	3	0	28	30	35	37

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 Career Technical Education Programs

Village Oaks High School students have historically had limited access to Career and Technical Education (CTE) programs available at Lincoln High School. To address this, a Child Development course was introduced at Village Oaks during the 2023-2024 school year. In 2024-2025, the Advanced Child Development course was added, allowing Village Oaks students to complete a full CTE Pathway. Students enrolled in Advanced Child Development spend three days per week working at TCK, a local elementary school, where they assist and support students during lunch. These courses are fully offered on the Village Oaks High School campus, providing students convenient access to CTE opportunities.

Students enrolled in our Advanced Child Development course have the opportunity to apply for Paraprofessional Apprenticeships. Successful applicants who are selected through an interview process are assigned paraprofessional roles in the after-school programs at LUSD elementary schools. To participate, students must also fulfill additional requirements, including enrollment in courses at San Joaquin Delta College. As long as students continue to meet all program requirements, they are guaranteed a paraprofessional position for up to three years and will receive a certificate upon successful completion of the program.

## 2024-25 Career Technical Education (CTE) Participation

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2025-26 Opportunities for Parental Involvement

Village Oaks High School actively encourages parent and family involvement and provides multiple opportunities for meaningful engagement throughout the school year. Parents may participate in organized leadership and advisory groups such as the School Site Council and the Parent Teacher Student Association (PTSA), where they provide input on school programs, goals, and student outcomes. Families are also invited to attend schoolwide events, including VO Kick-Off at the start of the school year, monthly Coffee at the Curb gatherings, and scheduled parent conferences held in the fall and spring to review student

progress and transcripts.

Ongoing communication with families is supported through ParentSquare, the school's primary messaging platform, as well as a monthly school newsletter. Parents are required to maintain an active Aeries account, which provides real-time access to student attendance, grades, and academic progress. Advisory teachers and administrators regularly contact families regarding academic concerns, attendance, and support needs.

Parents may also participate in Student Study Team (SST), Student Attendance Review Team (SART), Individualized Education Program (IEP), and Section 504 meetings when applicable. Parents interested in becoming involved, joining committees, or seeking additional information are encouraged to contact the Village Oaks High School main office for assistance and details regarding opportunities for participation.

## C. Engagement

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

## 2025-26 School Safety Plan

The School Safety Plan is based upon five immediate action responses: Cover and Hold; Evacuation; Lockdown; Secure Campus; Shelter in Place. Lockdown Drills and Evacuation (Fire Drills) are conducted with staff and students. The plan was reviewed and approved by the School Site Council on [redacted] and was last approved by the school board on February 2025. We are beginning the process for approval of an updated safety plan to go to SSC and the School Board in February 2026.

During the 2016-2017 school year, the district approved the assignment of a full-time San Joaquin County Sheriff Deputy to cover the needs of the Lincoln Unified School District and all schools located in the San Joaquin County boundaries. The School Resource Deputy (SRD) is housed on the Village Oaks High School campus. The SRD, custodial personnel, and site administrator regularly walk the grounds to check for hazards on campus.

## Fiscal Year 2024-25 Types of Services Funded

Village Oaks High School invests in programs and services that meet the various high needs of students, including credit deficiency, homelessness, missing parents, trauma, mental health, addiction, grief, and poverty. We fund a comprehensive counseling and outreach program serviced by a school counselor, a college and career counselor, an outreach worker, a part-time bilingual interpreter, and contracted services from outside agencies, Valley Community Counseling and Child Abuse Prevention Council. Students receive support from bilingual paraprofessionals and other paraprofessionals during classes. Students who are failing courses must attend Thursday School with two teachers until 4:00 P.M.

Juniors and seniors and eligible sophomores who are credit deficient have access to enroll in online Subject courses. Students can enroll in a support class (Directed Studies) if needed. Elective courses provided include: Foods/Nutrition, Culinary Arts block, Art, Career Exploration, Electronic Music, Guitar, Student Government, Child Development (CTE) and Advanced Child Development (CTE). Students also are provided opportunities to participate in after school athletic teams and competitions. We offer intramural athletics in the following areas: Volleyball, Flag Football, Basketball, Soccer, and Softball. We also offer students the opportunity to participate in a competitive ESports team after school.

## Professional Development

Every Monday is an early release for students so staff can attend collaboration with the staff or as a department. This year, our monthly collaborations have focused on a combination of reviewing data, AI and ELD trainings. Our counselors, ELA, and Math teachers have all participated in guidance/curriculum alignment training facilitated by Orenda.

This table displays the number of school days dedicated to staff development and continuous improvement.
