Tallulah Falls School

Character. Academics. Spirit. Athletics.

INTRODUCING THE

FIVE-DAY BOARDING PROGRAM

WEEKDAY INDEPENDENCE. WEEKEND FAMILY TIME.

Tallulah Falls School's Five-Day Boarding Program offers students the full benefits of a boarding school experience – academic focus, structure, and community – while allowing them to return home each weekend. This is ideal for families commuting to our North Georgia campus. Students live on campus from Sunday evening through Friday afternoon, fully immersed in academic and residential life, then return home each weekend to recharge with their families. This college-prep hybrid experience strikes the right balance between independence and connection, while mirroring college-level responsibilities and maintaining meaningful family support.

ACADEMIC EXCELLENCE & DAILY SUPPORT

The Five-Day Boarding Program supports academic success through both accountability and structured routines. Our students attend study halls Sunday through Thursday evenings, offering peer tutoring, academic collaboration, and daily teacher tutorials that develop time management and responsibility.

GROWING INDEPENDENCE WITH GUIDANCE

Tallulah Falls School students develop essential real-world skills for college and beyond with the guidance of our most dedicated Residential Life staff. On campus, they learn to balance academics, activities, athletics, and personal responsibilities while also building independence and self-advocacy.

OUR TUITION & EDUCATIONAL VALUE

Annual tuition is $30,000 with additional financial aid available. Tallulah Falls School offers an exemplary value through structure, independence, and academic rigor. Flexible weekend options and a convenient Friday shuttle service enhances the hybrid experience with all families in mind.

STUDENTS HAVE FULL ACCESS TO CAMPUS LIFE

Our five-day boarding students thrive in an exceptional environment that fosters success, while also maintaining their home life.

Athletics

Over 75% of students participate in championship-level athletic teams, supported by state-of-the art fitness centers, swimming facilities, gymnasiums, and performance labs that promote excellence in training, performance, and overall wellness.

Arts & Student Life

Tallulah Falls School offers a rich and diverse arts program that includes music, drama, stagecraft, visual arts, chorus, culinary arts, composition, and journalism. These creative outlets that encourage expression, collaboration, and skill development.

Character Development and Leadership Opportunities

TFS offers a vibrant student life focused on building character and developing strong leaders through its House System and the Tallulah 12 guidelines, along with more than 30+ campus-wide clubs, leadership opportunities, and student organizations that foster connection, engagement, and personal growth.

Experiential Learning

We know that learning doesn't stop at the classroom door. Whether identifying trees on campus trails, fishing and kayaking at a nearby lake, or exploring Costa Rica on our week-long Midmester trip, experiential learning builds confidence alongside curiosity. These shared experiences shape values, strengthen skills, and prepare students, both academically and personally, for life beyond TFS.

Midmester travel experiences take students to destinations such as Florida's Space Coast, New York City, Boston, the Grand Circle, Germany, Costa Rica, Charleston, South Carolina, local colleges, and beyond, enriching learning through exploration and real-world connections.

SCHEDULE A CAMPUS VISIT AND DISCOVER HOW FIVE-DAY BOARDING CAN WORK FOR YOUR FAMILY.

WHY FAMILIES CHOOSE FIVE-DAY BOARDING

- The benefit of a strong academic focus without the fatigue of daily commuting
- Fosters independence while providing consistent adult support and supervision
- Full access to athletics, fine arts, and student life
- A balanced path to college readiness
- A distinctive boarding option for regional families
