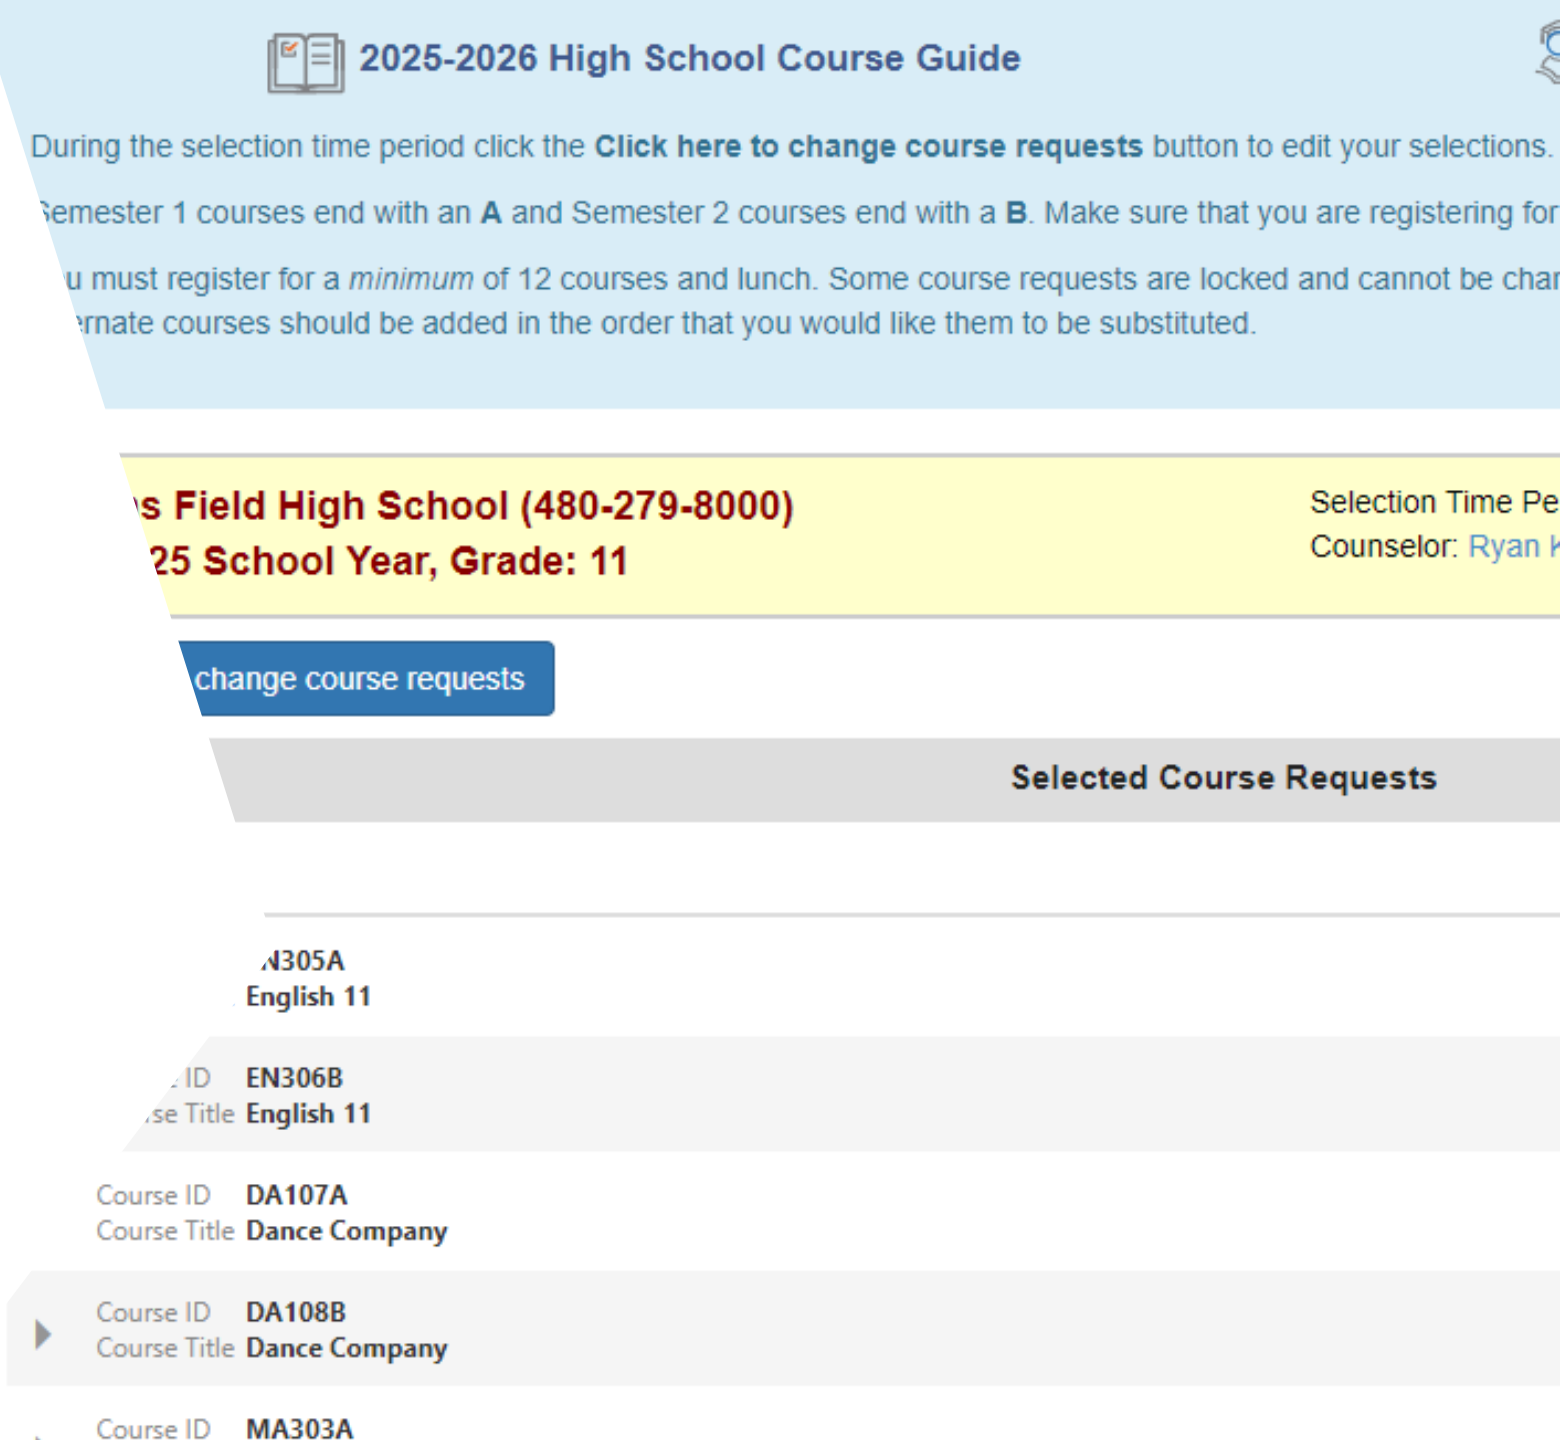
Online Course Registration



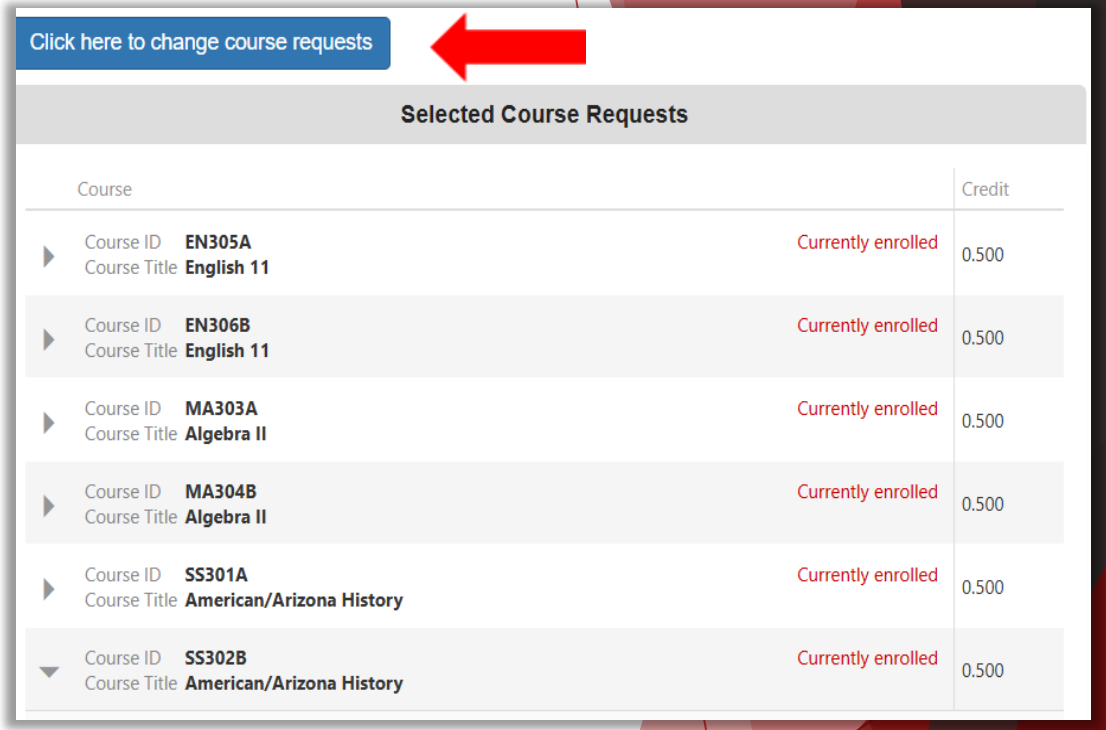
Online Course Registration

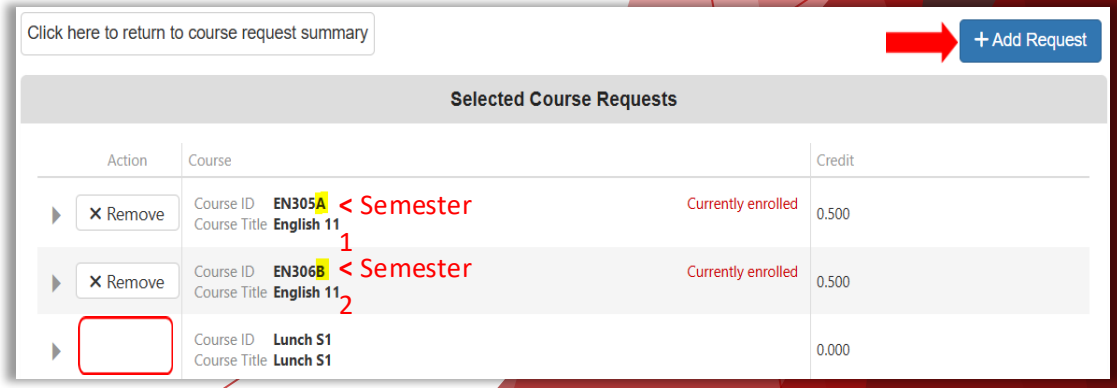
- This year students will be registering for classes through StudentVue.

- Some classes have already been pre-selected for you based off of your current courses – you can change these if you were placed in the wrong level of a class or would like to change the recommended course for next year (we strongly recommend talking to your teachers about your course options for next year)

Online Course Registration Continued

- Course Selection
  - Remember to add the 1st and 2nd semester section for each class you pick
  - You need to ensure you have the required core classes for next year and add your top elective choices
    - You should have **6** classes selected (a total of 14 sections including lunch for both semesters)

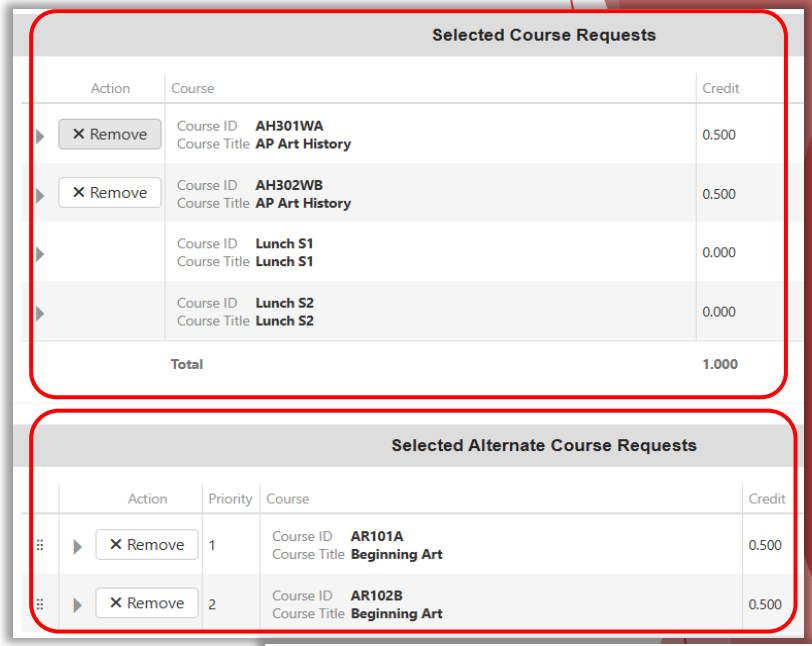


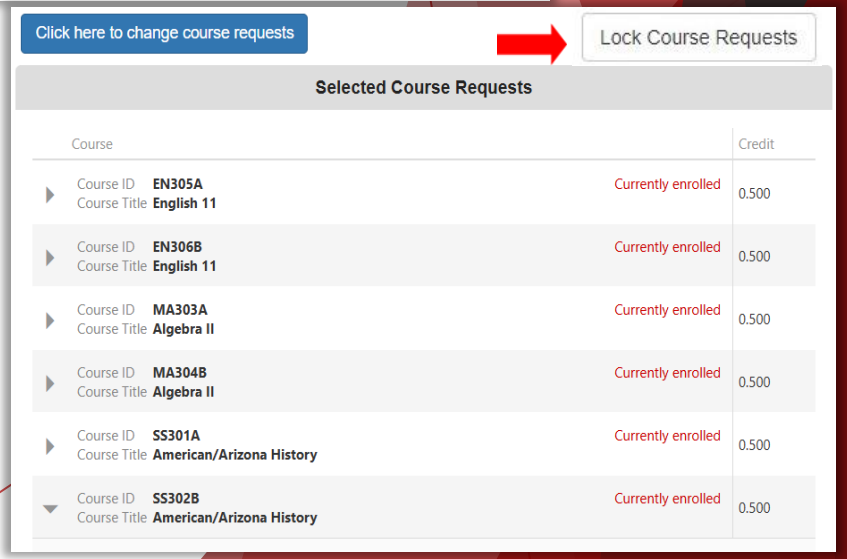


Online Course Registration Continued

- Select **4** alternate elective choices
  (8 sections – 1st and 2nd semester)
  - Rank these from your top choice to last choice
  - Do not repeat any elective choices

- Finally, parents will login to ParentVue to "Lock Course Requests"
  - Once locked, you will no longer be able to make changes





Course Registration Tips:

Some things to keep in mind…

Seminary

Please note:

Seminary will take up one of your elective credits

Seminary is a noncredit bearing class

In your Cours Request, you will need to include "Release Time/Off-Campus Instruction" (1st and 2nd semester section)

You will need to plan to take a zero-hour class or a class through HVA so you stay on track with earning your credits to graduate (talk to your counselor)

Students are expected to enroll in a minimum of 6 credit hours 9th-11th.

More on Electives:

- Some things to keep in mind when selecting electives:
  - 1 PE credit is needed for graduation (must be a class in your schedule)
    - Dance, Marching Band/Color Guard can fulfill a PE or Fine Art Credit
    - Freshman Weights & Athletic Weights – if you plan to play a sport at WFHS, you may be required to take an Athletic Weights class – please talk to your counselor if this could apply to you!
    - Freshman Weights is a 2-hour block 1st and 2nd hour. Please sign up for the class twice during registration
  - 1 fine art or CTE (Career & Technical Education)
  - World language is not required for graduation from WFHS – however most 4-year universities will require that you took 2 years in high school

More on Electives:

Students are expected to take 6 credit hours each year 9th through 11th grade.

Please check out the HUSD Course Guide for information about specific classes, including required pre-requisites!

Freshmen sometimes do not get their first choice, but we will work to make sure you get at at least one of your top choices…

- Make sure to give alternates that you are willing to take
- Do not list a class more than once in your online registration

Online Course Registration
Complete by 1/26/26

Counselors will be following up with students to review their course registration on 1/26 and 1/27.

The online registration must be COMPLETELY filled out to be accepted. Counselors will not meet with you if you have not entered your courses for next year.

If you are planning to take Honors or AP classes please make sure parents login to ParentVue and “Lock-In” your course selections - this takes the place of a parent signature on the Honors Academic Agreement form.

Please note: We will not take teacher requests, period requests or lunch time requests.

Welcome to Williams Field future Black Hawks!

We look forward to having you on our campus next year!
