Press Release
For Immediate Release

The Elida Local School District is proud to announce the selection of a new athletic director. Dan Larimore, who has been serving as assistant principal for 12 years and has been an assistant football coach since 2001, will be stepping into his new role over the summer pending Board of Education approval.

Mr. Larimore has been with the district for 21 years serving as a high school math teacher prior to assuming the role of assistant principal. He has a wealth of knowledge regarding the district, a passion for both academics and athletics, and is dedicated to enhancing the student-athlete experience while drawing upon community support and engagement.

"In partnership with our dedicated coaches, staff, Board of Education, and community, I will work to ensure that our programs reflect high standards of integrity, sportsmanship, and academic responsibility. My priority will be to foster an environment where students can excel as a competitor, develop strong character, and experience the educational value of participation in athletics," Larimore stated.

Larimore follows in the footsteps of some long-serving former athletic directors in the late Dave May and most recently Dave Evans. "It is an honor to assume the role of Athletic Director at Elida High School. I am committed to upholding the traditions and excellence of our athletic programs while continuing to advance opportunities for all student-athletes."

The Board of Education's next regularly scheduled Board meeting is February 17th.
