

# Crowley ISD Points of Pride - Holiday Edition!

Thursday, Dec. 18, 2025

## 1. Language Support Parent Engagement Event

Crowley ISD Language Support Services hosted a parent engagement event yesterday at 512 Peach Street that focused on helping families support young readers at home, with sessions offered in English, Spanish and Vietnamese.

Parents learned about available services and gained insight into their child's education. There was also a station for families to select free books and wrap them for their children as a gift this holiday season.

Great job goes out to Maria Angiuano and her team for embracing our families and making reading meaningful beyond the classroom.

---

## 2. Jingle Jam

If you didn't make it to the Bill R. Johnson CTE Center last night, you missed an incredible experience at the annual Jingle Jam fine arts event. In total, **975 students participated and thousands of people were in attendance.** With four stages packed with performances, a painting room and free popcorn and hot chocolate, there was something from everybody. The biggest highlight of the night was the districtwide holiday showcase in the courtyard.

I want to say “**Thank You**” to Ms. Stacey Lottin, Dr. Keeva Smith and our entire fine arts team for hosting a tremendous night for our students and community. Well done!

---

## 3. Teddy Bear Concert

The Fort Worth Civic Orchestra's Teddy Bear Concert was full of Crowley Pride last weekend. Crowley Middle School and Summer Creek Middle School choirs delivered wonderful performances, and two student groups from H.F. Stevens earned first and second place awards in the Christmas Carol contest!

It's another incredible example of the talent, hard work and creativity of our fine arts students and educators. Way to represent Crowley ISD!

---

## 4. Mayor Mattie Parker Reads at Baylor Elementary

Students at Baylor Elementary were delighted to have Fort Worth Mayor Mattie Parker on campus last week to read the holiday classic, *How The Grinch Stole Christmas*. Mayor Parker is a proud aunt to a teacher on staff at Baylor Elementary, and she spent time answering questions and engaging with students and staff.

We love to see our community leaders sacrifice their time to invest in our students.

## **5. Crowley Area Chamber of Commerce Luncheon**

Crowley ISD students stole the show at the annual Crowley Area Chamber of Commerce holiday luncheon last week. The delicious meal was prepared and served by students in the culinary program from the Bill R. Johnson CTE Center, while the Crowley High School choir made a joyful noise for the group and they sounded incredible.

It was a great way to showcase the **every day excellence** we have in Crowley ISD with our local businesses and leaders.

---

## **6. Sparks Spirit Team**

The Sparks all-abilities cheer, dance and performance team wowed the crowd at during their very first performance at the Special Education Winter Family Party earlier this month. The group is made up of students from third through eighth grade and they also performed during last night's Jingle Jam event.

I'm so excited to see this group of exceptional students come together and I can't wait to see the program grow. Let's hear it for our Sparks Spirit Team!

---

## **7. Christmas in Crowley**

I'd like to send a shout out to the Richard Allie Middle School spirit squads, along with the Crowley High School Mighty Eagle Band, cheerleaders and Talonettes, as they lit up the night at the Christmas in Crowley Parade of Lights earlier this month!

We're so proud of these students for bringing amazing energy and holiday spirit to this year's celebration.
