Dear Dr. Lane

Thank you for the opportunity to visit your school on January 14, 2026, to conduct a Unit Assessment (UA). The purpose of this visit was to provide feedback regarding the performance of your Air Force Junior ROTC (AFJROTC) unit, and to assess its compliance with the applicable laws, policies, and the Memorandum of Agreement between your school district and the United States Air Force.

Congratulations! Your AFJROTC unit scored an impressive **97** and earned an overall rating of **“Exceeds Standards”** for the UA, the highest rating attainable. This outstanding achievement reflects the dedication and leadership of Chief Master Sergeant (Ret) William Jones and Master Sergeant (Ret) George Macias, who deserve special recognition for mentoring and guiding your cadets. The instructors and cadets exceeded the standard on eight assessment checklist items and had zero discrepancies—a noteworthy accomplishment.

Thank you for your continued support in developing citizens of character for America. If you have any questions or concerns regarding your visit results, please contact me at christopher.cox.46@au.af.edu.

Sincerely

CHRISTOPHER COX, GS-12, DAF
