Dear Parents or Guardians:

Syosset elementary schools will be celebrating American Education Week by inviting you to attend a Culminating Curriculum Celebration. These celebrations are an exciting opportunity to be part of your child's learning experience. It is also a great way to strengthen the school/home connection. Each celebration is reflective of the Syosset Central School District's elementary curriculum, student's hard work, and creativity.

All of the children and staff are excited to have you join us on the dates and at the times indicated on the schedule below:

At Baylis, our goal of safety remains paramount even when we are participating in an enjoyable and memorable event.

- **Each family will receive 2 tickets only.** Tickets will be mailed home in advance of the classroom event.
- When you arrive, plan to enter the building through the main entrance where you will check in at security.
- **Please present your tickets and your government issued identification.**
- We ask that all parents walk from the main entrance lobby directly to the location of your child's curriculum celebration.
- At the conclusion, there will be an announcement for parents to exit through the main doors only.

I look forward to seeing you all on the day of these class celebrations and that you will enjoy partnering with your child to work on the day's lesson. We welcome you and hope that your visit is truly enjoyable!

Sincerely,

Clara Y. Kang
