Mark Dzurec, his wife, Megan, and their daughter moved to Hudson seven years ago. Mark grew up in Medina County and graduated from Kent State University with a degree in Political Science.

Following graduation, Mr. Dzurec began his management consulting career in Cleveland where he specialized in human capital and public policy programs.

This included promoting and registering Ohio families into the Children's Health Insurance Program (CHIP) and overseeing the fiscal management of HUD public housing in Northeast Ohio. He also served as a program manager in several workforce development programs throughout the region.

Today, he is an Account Executive at Bay Pointe Technology. Since moving to Hudson, Mr. Dzurec has been an engaged Explorer parent volunteering at countless events at the four schools which his daughter has attended.

When approached to serve the district in other capacities, he welcomed the opportunity. He served as the Finance Chair of the 2022 Permanent Improvement Levy campaign.

He joined the district's finance committee which has worked to streamline financial reporting to the community. He also served as a Board Member of the Hudson City Schools Foundation.

Mr. Dzurec was elected to the Hudson Board of Education in November of 2023 and was re-elected in November of 2025 to a four year term.
