Dear Families,

For Calamity days of 6-8, we will use the following Virtual Day Choice Board. This gives you and your child options to choose from for each category of learning that they would be experiencing in the classroom. If you would like to print off the choice board and share with us the activities you did together by marking them, drawing a picture, etc., we would love to know about your snowy day adventures! We will also be available via e-mail throughout the day to answer any questions, along with the Remind App if you would like to send a quick picture.

Teacher Emails:

Miss Joscelin - jreineke@otsegoknights.org

Ms. Sue - stressel@otsegoknights.org

Miss Rachel - rkoeniger@otsegoknights.org

Ms. Charissa - ccook@otsegoknights.org

Otsego Preschool **Virtual Day** Choice Board Activities

Name _____

Directions: Choose and circle **one** activity from **each** subject to complete. Return this board with any written assignments the day following our missed school day.

Math	Writing/Fine Motor	Social Studies	Reading and Language	Science
Find 3-5 pencils around the house and sort them from shortest to longest.	Draw a picture about something you did today and talk about what you drew	Choose a board game to play with your child. Practice taking turns.	Read a book together and talk about: - what's on the cover - who's in the book - what happened	What sinks and what floats? Choose some items around your house and experiment to see what sinks and floats. Draw a list to show your findings..
When eating a snack (fruit snacks, goldfish, crackers, etc.) have your child count how many they have. If there are multiple colors of the snack, have them sort the colors.	What is your favorite animal? Tell why you like it by drawing it	Look at a mirror and draw/talk about your facial features. - what color is your hair and eyes - do you have freckles	Go to vooks and watch/listen to an animated book. Talk about what happened after watching	Play in the snow and talk about how it looks and feels.
Make patterns using different objects (buttons, rocks, LEGO, crayons, cereal, etc.) Make: -AB (red, blue, red, blue) -AAB (red, red, blue) -ABC (red, blue, yellow) -AABB (red, red, blue, blue)	Practice name writing. Adult can write it in yellow and child can trace it. Say each letter in their name	Look up pictures of community members (police officer, firefighter, chefs, etc.) talk about what they do to help the community.	Go to https://storylineonline.net/ and listen to a book read aloud by a celebrity. Talk about the book after.	Bring snow inside and put some in the fridge and some on the counter. Talk about which one melted and how it looks once melted
Play a math game for 15 minutes on https://www.abcya.com/grades/k/numbers	Practice cutting out of a newspaper, magazine or coloring book. (have them cut over a cookie tray to minimize the mess)	Talk about who is in your family, what different families look like.	Go to starfall.com Play word games, read stories, or practice reading skills. Play for 15 minutes.	Use a magnet and find items around the house that will "stick" to it. - try non-magnet items too

Order 6 toys by height (tallest to shortest.) Draw a picture and label it to show your results.	Practice tearing a piece of scrap paper into small pieces using their thumbs and pointer finger to pinch and pull.	Talk about what different communities look like based on the nature, buildings, and people in it.	“Letter Scavenger Hunt” - walk around the house and look for various letters and name them - look for the letters in your name around the house - try writing the letter you found - name the letter and say it’s sound	Use the following materials to make a snow volcano outside or inside in a container. Baking soda, snow, food coloring and vinegar. Take pictures/videos and send them to your teacher. You can look up ideas on how to do this online.
