

Otsego Kindergarten Virtual Day Choice Board

This is our Virtual Day Choice Board. We will use this for missed calamity days 6, 7, 8 and 9. Please keep it in a safe place in case!

Name _____

Directions: Choose and circle **one** activity from **each** subject to complete. Return this board with any written assignments the day following our missed school day.

Math	Writing	Science/Social Studies	Reading	Specials
Login to your eSpark account and work on math for 15 minutes. (Follow the attached directions provided.)	Draw a picture about something you did today. Write a sentence about it.	What is a want? What is a need? Make a list of 5 wants and 5 needs.	Login to your eSpark account and play for 15 minutes. (Follow the attached directions provided.)	Music Sing to your stuffed animals.
Make 3 paper airplanes and have a contest to see which of your designs flies the farthest. Take steps and keep count to measure the distance.	What is your favorite animal? Tell why you like it by writing at least one sentence. Draw a picture of the animal also.	What are the 4 seasons? Illustrate 4 trees each showing a new season.	Choose a book. Read it or ask someone to read to you. Design a new cover. Include the characters, setting, and a new title.	PE Dance/move to your favorite song.
Make patterns using different objects (buttons, rocks, LEGO, crayons, cereal, etc.) Make: -AB (red, blue, red, blue) -AAB (red, red, blue) -ABC (red, blue, yellow) -AABB (red, red, blue, blue)	Draw and label three pictures that start with a given letter. (Do for each letter of your first name.) Ex: Sam S-snake, sock, soap A-acorn, apple, ape M-mop, mug, monkey	What is a solid? What is a liquid? What is a gas? Search your home for 2 examples of each. Draw pictures and label them to show what you found.	Practice rhyming. Ask someone to supply a word for you and see how many real or nonsense words you can rhyme with it. Do this with 10 different words. (This does not need to be written down.)	Art Draw a picture of your family.
Play a math game for 15 minutes on www.sheppardsoftware.com/math or www.coolmath4kids.com or https://www.abcya.com/grades/k/numbers	Write a friendly letter to a family member. Remember to include: Heading (date) Greeting (Dear ____.) Body (Your message) Closing (Love,) Signature (Your name)	Pick a holiday game to play on abcya.com (kindergarten level). https://www.abcya.com/grades/k/holiday	Go to starfall.com . Play word games, read stories, or practice reading skills. Play for 15 minutes.	STEAM/TECH: Make a paper airplane. See how far it flies, then try to make adjustments to make it fly further.
Order 6 toys by height (tallest to shortest.) Draw a picture and label it to show your results.	Write a how-to piece! Use transition words like <u>first</u> , <u>next</u> , and <u>last</u> . For example: How to... -hit a baseball -make a sandwich -draw a picture	What sinks and what floats? Choose some items around your house and experiment to see what sinks and floats. Draw a list to show your findings.	Pick a fictional book to read. After reading, draw pictures to show what happened at the beginning, middle, and end of your story.
