**Directions:** Please circle and complete one activity from each column. Please return this signed paper and any additional work on the next school day following our missed day.

**Student Name:** \_\_\_\_\_ **Parent Signature:** \_\_\_\_\_

ELA	Math	Science	Social Studies	Specials
<p>What book do you think should be made into a movie? Write a letter to the author persuading them to turn it into a movie. Challenge- Create an advertisement for this movie (poster, brochure, flyer, etc.).</p>	<p>Write four unique story problems that require subtraction of 4-6 digit numbers. Solve the problems.</p>	<p>Create a poster, write a paragraph, or create a Google slide answering the question: "Why is Earth known as the Blue Planet?"</p>	<p>Create a timeline of a typical day (maybe when you have a sport practice, hobbies, etc.). Use a piece of paper to draw your timeline and label it with a title, times of day, and order of events.</p>	<p><b>Art:</b> Design a jersey for any sports team</p>
<p>Create your own interview questions for a character in the book you are reading. Then write the answers to those questions based on what you think the character might say.</p>	<p>Create a poster showing at least two different ways to solve <math>142 \div 2</math>.</p>	<p>Make a list of all the landforms that you know. Challenge yourself to make your list as long as possible.</p>	<p>Conduct an interview by phone with a grandparent, neighbor, or a close friend or family member with a similar age as your grandparent. Write 3 questions about their childhood. Write their answers and summarize on a piece of notebook paper.</p>	<p><b>Music:</b> Make up new lyrics to one of your favorite songs. Please be school-appropriate!</p>
<p>Think of a dream vacation destination. Write a paragraph including at least 5 sentences (intro, 3 body sentences, and conclusion). *Use vivid adjectives to help describe your dream vacation.</p>	<p>Practice multiplication or division math facts for at least 15 minutes. <i>(You can use XtraMath.org, flashcards, etc.)</i></p>	<p>Research a specific landform of interest (e.g., Mt. St. Helens, Mississippi River, Rocky Mountains, etc.) Explain how the landform was formed and has changed over the years.</p>	<p>Create and draw an imaginary town and list 3 rights for citizens and 3 responsibilities for the government of your town.</p>	<p><b>PE:</b> Do a chore to help out around the house</p>
<p>Choose a book to read on EPIC! Or one you have been reading for school. Use a blank piece of paper to create a plot diagram (plot mountain or story mountain) for your book or a chapter in your book. Remember to include the introduction (exposition), rising action, climax, falling action, and resolution.</p>	<p>Write and solve six unique two digit multiplication problems. <i>(Example: 52 x 48)</i></p>	<p>Design and conduct your own science investigation or experiment. Please make sure your investigation is approved and supervised by an adult.</p>	<p>Draw and label a picture of life in a log cabin.</p>	<p><b>Tech/STEAM</b> Make a boat out of aluminum foil. Test it in the sink. Add weight to see how much it can carry before it sinks.</p>
