Randolph Township Schools Preschool Program

The Randolph School District is accepting applications for its Preschool Program for children ages 3 and 4 who live in Randolph. Our preschool is comprised of children with special needs and typically developing preschoolers. Children with and without disabilities are provided with learning opportunities to facilitate academic and social success in a warm and nurturing environment. The program runs either 8:55- 11:25 (3) or 12:30-3:00 (4) Monday-Friday.

For additional information, please contact Gina Luciano at Randolph's Special Services Department at (973) 361-0808 ext. 8105 or email **gluciano@rtnj.org.**

The program costs $4,750.00 for the school year and will be required to be paid through School Cash online. You will have the ability to set up monthly payments in School Cash. Children will be selected for the 2026-2027 school year program through a lottery which will take place in February. Children who are not selected or who apply after the deadline will remain in the lottery pool and will be contacted if space becomes available. Please note that **children must be toilet trained and parents must provide transportation** to and from the school.

If your child will be three years old before October 1st of the 2026-2027 school year, you may fill out the application on the next page.
