2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

Terrace School was originally built in 1951. The school has a total of 31 classrooms (11 permanent and 20 portable), a multipurpose facility, a library/resource building, and an administration building. Twelve of the portable classrooms are across the street from the main campus at the Terrace Annex. The multi-purpose building and additional permanent classrooms were added in 1954. Portable classrooms were constructed in 1987, 1997, 1998, and 2003.

We make great efforts to ensure that our school is clean, safe, and functional. Terrace School grounds and buildings are supervised by site administrators. Repair needs are reported promptly to the district maintenance staff. District maintenance staff ensures that the repairs needed to keep the school in good working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The Maintenance, Operations, and Transportation Department works daily with the custodial staff to develop cleaning schedules to ensure clean and safe schools. This school site is in good repair. Based on the FIT report, Terrace is rated exemplary.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Terrace Elementary School understands the important role that parents play in their child's education; therefore, we make every effort to invite our parents to take part in our school events. We are committed to working as a team between staff, students, and parents.

At Terrace, we offer parents many opportunities to be part of our school community through various activities. We welcome our parents to our Coffee with the Principal, School Site Council and English Learner Advisory Committee (ELAC) either by being an elected member or by attending and providing input. Elected members are invited to participate in a district training where they learn more about the committee they serve. Meetings are currently held at our school site. Parent/Teacher/Student conferences are held once a year to discuss their child's progress. Staff communicate with parents as needed regarding their child's progress whether it pertains to academics, behavior, attendance, or social emotional concerns. We use Class Dojo, Parent Square, and our social media to communicate with our parents/guardians. We also hold SAT (Student Assistance Team) meetings and set goals and recommendations for our struggling students. In addition, we hold monthly activities to maintain a positive school culture and recognize student achievement. These special events include Monthly Award Assemblies/Recognition, Attendance Recognition, Positive Behavior Recognition, and Birthday Shout-outs. We also hold cultural schoolwide events. Once a year we host a school carnival for our students and families. Furthermore, we have added additional events for students and their families to celebrate together on campus. Some of these events include Grandparents Day, Craft Day with your parents/guardian, and Books and Snacks.

2025-26 School Safety Plan

Terrace Elementary School Safety Plan was last annually reviewed and updated in January 2025 at our monthly School Site Council meeting. The staff at Terrace reviews and updates our school safety plan annually. Copies of the comprehensive disaster plan and evacuation routes are posted in each classroom. The Safety Plan contains roles and responsibilities of each staff member in the event of an emergency. It also includes an assessment of the current status of school crime and the identification of appropriate programs and strategies to ensure school safety. The plan addresses various procedural steps including child abuse reporting, discipline, notification to teachers regarding student suspensions and expulsions, along with other measures to promote school safety. All staff members have been instructed in first aid procedures. Terrace School students and staff practice a variety of safety drills including fire drills, earthquake drills, lock downs, CODE Blue, and bus evacuation drills. The updates with the plan will be reviewed with SSC in January 2026.

Terrace has put into place an effective supervision plan for students before, during, and after school. Morning yard duty staff are on grounds thirty minutes before students are allowed on campus. Morning and noon duty aides are assigned to supervise students on school grounds. Supervision at several of the surrounding crosswalks are provided during the morning, before school, and after school. School personnel supervise students during morning recesses and after school. Terrace has one main locked entrance and all visitors have to check-in at the office and are given a visitor's pass through a computer software program called Raptor before going to the classroom. The district has adopted the computer program software that will identify any known risks the individual may have prior to entering the campus through their driver's license. All students being picked up early during school hours must be signed out in the office. All kindergarten students must also be signed out on a daily basis from their classrooms after school.

Fiscal Year 2024-25 Types of Services Funded

Various support services are provided to students at Terrace School through categorical funding and other sources. Special education services are provided to students that qualify for speech and/or the mild/moderate (formerly known as RSP) program. Special education services are also provided through our Mild/Moderate Special Day Program and Moderate/Severe Special Day Program. The English Language Development Coach works with staff to provide effective instruction to students especially in the areas of English Language Arts and English Language Development. District Math coaches have provided various in-services on how to properly provide intervention for students who are not performing at grade level. The After School Program provides intervention in reading and math to students performing at the Below or Near Grade Level 1st-5th. The After School Program also provides homework assistance. Kindergarten Extended Day provides our kindergarten students with instruction until 2:00 p.m. Terrace School also provides enrichment opportunities for our above average students with our BEAST Academy, GATE and Science Fair projects that start in October and end in March.

Professional Development

For the 2024-2025 school year, professional development and training have been provided. Teachers monitor student progress using assessment data such as ARI, ELB/ESGI, Accelerated Reading Star, IXL, and AMIRA to assist them with planning and instruction. Staff have also attended training in the area of Social Emotional Learning (SEL): Foundation on Trauma Informed and Self Care. We will continue providing staff training in the areas of instruction, assessment, data, and progress monitoring, and in the area of SEL. Our certificated staff also attended training in the Science of Reading (Orton-Gillingham training), Thinking Classrooms, and AVID. Our 5th Grade teacher and Special Education Teacher received training in the Co-Teaching Model, and our TK teacher was trained in G.L.A.D
