A champion for Hudson and its students, Laura Jones was unanimously appointed to the Hudson City School Board in August of 2022. Laura is an invaluable member of the community, and oversees a number of school-related events.

Most notably, she is the Hudson Community First Co-Executive Director. She was the Hudson VIP Coordinator, a job which supervises all of the volunteers in the District.

She has also been a Board Member on the Hudson City Schools Foundation, as well as the Hudson Public Schools Endowment Fund. She Co-Chaired the Citizens Committee for Hudson Schools and the PTO Pancake Breakfast - a fundraiser that nets over \$20,000 a year. She was also on the Board of Safe Routes Hudson and Drug Safe Hudson.

Not surprisingly, she was named the 2019 Ohio Middle Level Association Parent of the Year.

Ms. Jones graduated with a Bachelor of Arts from Ohio Wesleyan in 1995 before moving on to earn her M.Ed. in Curriculum and Instruction from Cleveland State University in 1999. She has a background in education, having taught at both Chagrin Falls and Cleveland Metropolitan School Districts, as well as worked with aspiring teachers at Hiram College and Baldwin Wallace University.

She currently works at the First Congregational Church of Hudson and is the proud mother of two daughters who went through Hudson schools.

Ms. Jones was elected to the Board of Education in 2023 and her term expires on December 31, 2027.
