2026 Bishop Verot Catholic Schools Week Dress Out Guidelines

January 26 - 30, 2026

IMPORTANT: Students who choose to dress out must follow the theme of the day. Failure to participate in the correct theme will result in a detention. Sweatshirts or jackets that do not match the theme, and therefore hide the outfit, are not allowed. The purpose of Catholic Schools Week is to promote school spirit, and the fun is lost when dress-out days don't reflect the theme.

If you have any questions after reviewing the dress code, please feel welcome to email me or Mr. Moser. **Depending on what is asked ahead of time, and if it is considered appropriate, minor exceptions may be made.**
