2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2025-26 School Description and Mission Statement

Mark Twain School is located in the city of Corcoran. Corcoran is a small, agricultural city in the central San Joaquin Valley. The population of Corcoran is estimated to be approximately 20,000, of which over 13,000 are California State Prison and California Substance Abuse Treatment Facility inmates. The local economy is supported mainly by farming and state prisons. Mark Twain is one of three elementary schools in the Corcoran Joint Unified School District. It is unique in the sense that it provides for the educational needs of all fourth and fifth grade students in the district. There are ten (10) fourth grade and ten (10) fifth grade regular education classes and a combination 4th/5th special day class. One Resource Specialist provides services to all RSP students. Support staff members include one principal, one vice principal, one academic coach, one academic technology coach, one resource teacher, one reading intervention teacher, and seven paraprofessionals. The

2025-26 School Description and Mission Statement

office/clerical staff includes one school secretary, one community contact, and one library clerk. There are also two custodians, four cafeteria staff, and three split-shift yard supervisors. Speech services are provided by a county speech therapist.

Enrollment for the 2025-2026 school year is 451 students (217 fourth-graders, 233 fifth-graders). Of those, 92.7% are Hispanic/Latino. Approximately 21.2% of the school population is considered limited in English proficiency, and 12.7% are reclassified as fluent in English. Spanish is the predominant language among English learners. Each grade level has a 90-minute block of instruction time for core English-language arts and Math instruction. Guided Reading has a 45-minute block of time each day. Science taught for 45 minutes 4 days a week. Fourth-grade students have P.E., which is administered for 30 minutes three days per week. Fifth-grade students have P.E. four days a week in 30-minute sessions. Designated ELD instruction is a protected 30-minute block of time each day. Each English learner receives language instruction based on his/her English Language Proficiency Assessment for California (ELPAC) level. Reclassified, English-only, and initially fluent students use ELD time for additional reading instruction (enrichment or intervention) with a computer-adaptive program on their iPads (Imagine Learning). Resource Specialist Program (RSP) students have support throughout the school day. Some students receive further intervention in reading from the reading intervention teacher and two paraprofessionals.

The mission statement for Mark Twain School is: "To establish a positive learning environment where students are accepted, appreciated, nurtured, and challenged according to their individual needs." In addition to the regular fourth and fifth-grade curriculum, intervention is a key component of Mark Twain’s entire program.

Mark Twain offers intervention programs in reading. Reading intervention consists of instruction in fluency and comprehension at the current reading level of each student. It is designed to move each student closer to grade-level reading. Teachers and paraprofessionals collaborate on data-driven instruction to meet the unique needs of each student. The reading intervention teacher and paraprofessionals work with the classroom teachers to create a schedule and program that will best fit the needs of our students. The Resource Teacher provides support to all staff to ensure the programs are meeting the needs of our stakeholders and running most effectively.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

Corcoran Joint Unified School District are required to conduct an extensive facilities inspection. The condition of the facilities and grounds are important. In preparation for this report, the Director of Maintenance, Operations, and Transportation and the Chief Business Official provided the necessary information. The chart below shows the general condition of the site. Good repair is defined as maintaining schools that are clean, safe, and functional.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2025-26 School Safety Plan

Maintaining a safe and secure learning environment is a top priority for Mark Twain Elementary School. The Comprehensive School Site Safety Plan was developed for Mark Twain Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements.

Our plan is updated annually and includes procedures for emergencies, exit routes, and inventories of emergency supplies. Local law enforcement has a copy of our School Safety Plan as well as a school map. In conjunction with local law enforcement, fire department, and city officials, safe school routes have been determined and included in the Comprehensive Schools Safety Plan. All staff members review the School Safety Plan at the beginning of the school year during back-to-school staff development days.

Students and staff participate in (monthly) drills and the staff is debriefed following the drill with the intent of improving upon our safety procedures. Students at Mark Twain Elementary School participate annually in Digital Citizenship Safety Training. Our school is surrounded by a perimeter fence and all visitors must check into the office upon arrival. All volunteers must complete a district application and receive the appropriate clearances before they can volunteer or chaperone at a school site or during a school trip.

A copy of the Comprehensive School Safety Plan is available in the school office for parent review with the site administrator upon request.

The Comprehensive School Safety Plan was last reviewed, updated, and discussed with the school faculty on August 11-12, 2025.

Fiscal Year 2024-25 Types of Services Funded

Federal Programs:

Title I, Part A: Title I, Part A is a federal categorical program contained in the consolidated application. Its purpose is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach proficiency on the State Content Standards and Assessments. The intent of the funding is to meet the educational needs of the low-achieving students enrolled in the highest-poverty schools.

Title II, Part A, Supporting Student Instruction through new teacher orientation, monthly meetings for new teachers, teacher support and evaluation, PLCs, academic coaching (site or county-based services), and advancement opportunities.

Title III, Limited English Proficient (LEP): The purpose of Title III, LEP, is to ensure that all LEP students, referred to as English learners in California, attain English proficiency, develop high levels of academic attainment in English, and meet the same challenging State academic standards as all other students.

Fiscal Year 2024-25 Types of Services Funded

State Programs:

Lottery: Instructional Materials: This funding source allows for the purchase of instructional materials. "Instructional materials" is defined in Education Code (EC) Section 60010 (h) as "all materials that are designed for use by pupils and their teachers as a learning resource and help pupils to acquire facts, skills, or opinions or to develop cognitive processes. Instructional materials may be printed or non-printed, and may include textbooks, technology-based materials, other educational materials, and tests." EC Section 60010(m) further defines "technology-based materials" as "those basic or supplemental instructional materials that are designed for use by pupils and teachers as learning resources and that require the availability of electronic equipment in order to be used as a learning resource. Technology-based materials include but are not limited to, software programs, video disks, compact disks, optical disks, video and audiotapes, lesson plans, and databases. Technology-based materials do not include the equipment required to make use of those materials."

Professional Development

4 days before the start of school were used to review:

- Meeting Norms
- Goals/District Expectations
- 4 Focus Areas
- Schedules/Expectations

Each Wednesday is scheduled as an early release (1:30) for students so teachers, Academic Coaches, and Administrators can have Professional Development opportunities such as:

- PLC Opportunities
- PD on ELD Strategies

Special Education teachers receive additional training on topics related to their specialized credentials. These meetings are held at various times throughout the year.

The site Resource Teacher received additional EL professional development through attending conferences such as ELlevation webinars, Categorical Program Meetings, and the EL Network meetings (provided by KCOE). Each of these professional development opportunities focuses on the needs of our EL students, how to help with EL achievement, the redesignation process, and our LTEL students.

Professional Development

The school secretary has monthly meetings that include but are not limited to:

- Aeries updates, Data Entry, and Maintenance of System
- CALPADS training
- Attendance information
- Student Confidentiality
- Office Etiquette

The School Community Contact works with our District Liaison and Administrators on issues such as:

- Student Wellness
- Attendance
- Home visits
- Aeries Data Entry/Maintenance of System
