

THANK YOU SCHOOL BOARD!

It's School Board Appreciation Month, and we'd like to take a moment to recognize a group of people who quietly keep our district running:

MT Anderson, Zac Bailey, Kris Beal, Will Blood,
Amy Charette, Chris Labhart and Lucas Moore

In true Mining Report fashion, we were very tempted to lightly roast these amazing individuals—but we all know Ms. Wilson would make us rewrite the entire blog because roasting the school board is, in fact, not respectful (insert dramatic eye roll here 🙄). So, in the interest of professionalism, maturity, and not having to start over from scratch, we promise to keep this particular post kind, courteous, and straight to the point...but just this once.

School board members are a special kind of superhero. They attend long meetings, read lots of documents, make tough decisions, and somehow still show up smiling, most likely after a full workday. While they don't wear capes, they do:

Dedicate countless volunteer hours
Ask thoughtful questions (even when the agenda is 20 pages long)
Advocate for students, staff, and families
Support teachers, programs, and opportunities across our district

And they do it all because they genuinely care about our schools and our community.

So this month, we're sending a giant THANK YOU to our school board members for their commitment, leadership, and willingness to take on one of the most challenging—and important—roles in education. Your time, energy, and dedication do not go unnoticed, even if the meetings sometimes go past bedtime.

From all of us here at Grant Union Jr/Sr High School -
We appreciate you more than you know.

HAPPY SCHOOL BOARD APPRECIATION MONTH!
