Executive Summary

District Strategic Plan 2025

Broward County Public Schools is the sixth-largest school district in the United States and the second-largest in Florida. The district serves more than 256,021 students at 231 schools and is one of the largest employers in South Florida, with 30,529 team members.

Vision: Educating today's students to succeed in tomorrow's world.

Mission: Educating all students to reach their highest potential.

Core Values: Student Focus, **T**eaching Excellence, **A**ccountability, **R**espect, **S**afety

School Mission Statement

We, the PLE family are committed to ensure that all students receive a quality education within a safe and nurturing learning environment.

School Community

Pasadena Lakes Elementary serves 454 students enrolled in grades Pre-K through grade 5. The student population's ethnicity comprises 54 % Hispanic and 46 % Non-Hispanic students. Additionally, we serve a diverse population made up of 60 % White, 30 % Black, >1% Native American, 5 % Asian, 0% Pacific, and 5% Multicultural students.

The administration includes Principal Janet Williams and Assistant Principal Mokisha Spencer. Pasadena Lakes Elementary is proud to offer the many unique programs which provide students with opportunities. Our faculty and staff believe that all students can and will learn and that enthusiastic and dedicated teachers are the best vehicle for students' academic achievement and development.

Pasadena Lakes Elementary is a Title One school that serves Pre-Kindergarten- Grade 5. We offer specialized programming that includes an autism spectrum disorder (ASD) Cluster program (seven classes), one specialized Pre-Kindergarten class for developmentally delayed students who are ages 3-5, three Intensive Pre-Kindergarten classes for students who are ages 3-5, and one Voluntary Pre-Kindergarten (VPK) class.

Seventy-four percent of students qualify for free or reduced-price lunch, and the school operates as a Title I school, ensuring equitable access to instructional resources and support

services. Through the Community Eligibility Provision (CEP), all students have access to free breakfast for the 25-26 school year.

Thirty-seven percent of Pasadena's students qualify for the Exceptional Student Education (ESE) program. Some ESE students are reassigned from neighboring schools, due to the need of the ASD cluster program not being offered at their home schools. The ESE student population also includes children of Varying Exceptionalities- Specific Learning Disabled, Other Health Impaired, Speech and/or Language Impairment, Emotional & Behavior Disorders, and Intellectually Disabled. Twenty-five percent of Pasadena Lakes Elementary School's students are English Language Learners (ELLs). Home languages of these students include Spanish, Haitian Creole, Urdu, Arabic, Korean, and Vietnamese. The school is as demographically diverse as the community population it serves! The school offers three special areas of curriculum, which include Physical Education, Library Media, and STEM (Science, Technology, Engineering, Mathematics). The school also offers before and after school care (BASCC)

School-wide events held annually are a family book fair event, a literacy and a science night. We have a career day, Red Ribbon Week, Literacy Week, Autism Awareness Week, Peace Week, and Kids of Character. Pasadena Lakes Elementary offers clubs for enhancing student leadership. The clubs include Paw-some Buddies, Yearbook and Journalism, debate team, book club, SAVE club, Robotics, student council, National Elementary Honors Society and WPLE morning announcements club. 5th grade students may also become safety patrols.

School personnel work industriously and collaboratively, using the Florida State B.E.S.T Standards to create engaging lessons that incorporate a differentiated curriculum, learning centers, remediation and enrichment activities and assessments, while "planning with the end in mind." Pasadena Lakes Elementary School's faculty and staff continue to explore educational research during Professional Learning Communities (PLC's) and grade level meetings to improve instruction. Teachers are extremely proactive in identifying student learning needs, providing high quality personalized instruction, enrichment, and remediation. Research-based interventions are implemented with fidelity to close the achievement gap.

Purpose of Collection Development Policy

A school library collection development plan serves as a roadmap to guide library materials' selection, acquisition, and maintenance. It ensures the collection aligns with Florida statutes, the District's Strategic Plan Goals and Guardrails, the school's curriculum, and student needs by providing a framework for choosing resources that best support student learning across different subjects and interests while also addressing diversity and appropriate content levels.

A Collection Development Plan Serves Several Important Purposes:

Statutory Compliance: A Collection Development Plan establishes the framework for adhering to the mandatory state statute, requiring each district school board to adopt procedures for developing library media center collections and to post these procedures on each school's website.
District Alignment: Aligns with Broward County Public Schools 2022-2027 Strategic Plan Goals and Guardrails.
Supporting curriculum: The plan should directly connect library materials to the school's curriculum, ensuring students access relevant study resources.
Student needs assessment: It considers students' diverse needs, including reading levels, interests, and learning styles, to select materials that cater to a wide range of abilities.
Selection criteria: The plan outlines clear criteria for choosing materials, such as quality, accuracy, relevance, and alignment with school values.
Budget management: It helps allocate library funds effectively by prioritizing purchase needs based on identified gaps in the collection.
Collection maintenance: The plan includes procedures for discarding outdated or damaged materials and replacing them with current resources.
Community engagement: It involves collaboration with students, teachers, administrators, and parents to gather input on collection needs.

A thorough analysis of the current media center collection at Pasadena Lakes Elementary indicates that the average age of the collection is 2010 and the number of books per student is 11 items per student. The American Library Association has established a criteria for a highly effective media center that includes a ratio of 10 books available per student in the collection.

Currently, Pasadena Lakes Elementary does meet the recommended standards for the number of books per student.

Library Program

Pasadena Lakes Elementary library media specialist will provide a safe and welcoming environment where both students and teachers have access to a digital-rich and interesting collection and materials to aid in both the curriculum and the development in students' growth academically as well as personally. The library media specialist promises to promote lifelong learning skills for the students at Pasadena Lakes Elementary. The library media specialist will provide all students with opportunities to learn and utilize research skills, digital citizenship skills, and to continue to develop a passion for reading. The library media specialist will provide teachers with the opportunity to develop personally and professionally by sharing new technology and literacy information on an ongoing basis. It is important for my students and teachers to be effective users of ideas and information, in addition to being

critical thinkers, enthusiastic readers, skillful researchers and ethical users of information. The library media specialist will instill a love of reading in all students and ensure equitable access.

Pasadena Lakes Elementary innovative learning commons has fixed scheduling. The library media specialist teaches 3-6, 45-minute and 4-7, 30 minutes, classes per day that follow a three-week rotation. Each morning a WPLE news club creates and executes the morning announcements, live for the entire school to view daily.

The innovative learning commons is open two days a week from 7:45 A.M.-8:05 A.M. for students in grades K-2 and grades 3-5 to check out books or explore hands-on activities.

Student and staff learning, and enrichment materials will be made available, and the collection will be kept current. Reading Across Broward (Beanstack), and our Schoolwide reading challenge, requires students to read books.

We celebrate Read for the Record, participate in distance learning, author visits, story time with local librarians, teach using BEST standards-based lessons and, model, promote and utilize school board online resources. Each year we celebrate School library month and have a book-mark contest.

The Pasadena Lakes Elementary media specialist will oversee the daily operations of the Pasadena Lakes Elementary Library.

School Analysis

The school analysis provides an overview of the school's enrollment, demographics, and special programs.

Scope of the Collection

The materials selected will reflect the community's needs and interests. Materials will be purchased to provide curriculum support and enhancement. Materials will contain several selections from various Book Award lists. Collection development will also include age-appropriate materials that will help make our community one of life-long learners. The materials collected will focus on a wide range of scope and sequence that will support our various curriculums like our BEST standards.

Pasadena Lakes Elementary will house Fiction and Nonfiction books. These books include Biography, Class sets, Graphic Novels, Sunshine State, Sunshine State Jr. nominated books and other various Book Awards. Our large selection of board books accommodate our Pre-k and Autism Spectrum Disorder students. Bilingual books are purchased to support our ELL students. PLE's reading challenge encourages students to read books and take Accelerated Reader quizzes. Our collection has a plethora of Accelerated Reader books. All the books in the collection are to meet the needs of students and teachers. Books on CD are provided for teachers to use in their classroom with student centers.
The collection offers school board approved apps for school use. Boundless books is an eBook resource in partnership with the Broward County public Library.

The collection strengths are reflected in the Pasadena Lakes Elementary population. The collection is accurately represented.

Criteria for Selection of Print and Non-Print Materials are selected to support the school's mission. Materials are selected to enrich and support the curriculum and the educational, emotional, and recreational needs of the users. Materials shall be appropriate for the age, emotional development, ability levels, learning styles, and social development of students.

The collection assessment will be ongoing. The Pasadena Lakes Elementary media specialist will look at data to determine what materials need to be weeded and what materials need to be added to the collection. Circulation reports will be run by library media specialist to assist in this process.

The district provides online resources to ensure equitable access to information for teaching and learning to improve student performance and achievement. Students and teachers can use Clever or Canvas to access age-appropriate materials that support educational and social-emotional needs through the following online resources: Follett Destiny Online Library Catalog, Gale Online Databases and eBooks, PebbleGo Next, National Geographic Kids, Beanstack, and Sora by Overdrive.

School media centers provide access to library media materials that eliminate educational barriers based on gender, race/ethnicity, national origin, color, religion, disability, age, sexual orientation, gender identity, expression, or other protected group status and that are free of bias, stereotypes, distortions, and prejudices. This includes the ability to obtain information in a variety of formats electronic as well as print, without fear of censorship or reprisal.

Collection Development

Collection Development is the process of providing quality materials and equipment for the library media center. The goal of collection development is to ensure the collection has information sources in adequate quantity and variety to support student's academic and personal interest needs. The media specialist is charged with leading this process with the input of teachers, students, and parents. Resources are selected according to principles of intellectual freedom and provide all learners with access to information representing diverse points of view.

Selection and Evaluation Criteria (Drawn from BCPS Policy 4120)

Selection of Materials

Funded by the state, district, and school, the media collection will contain a wide range of appropriate materials on varying levels of difficulty in various existing and emerging formats. It will focus on materials that address different learning styles and levels.

Responsibility

The School Board of Broward County is legally responsible for all matters relating to the operation of the Broward County Schools. The professionally trained media specialist is responsible for coordinating the selection of instructional materials for the School Media Center, consulting with the principal, teachers, and students.

***In the event there is not a school library media specialist,** the Principal and/or Administrative Designee will assume the responsibility for identifying and selecting an instructional staff member(s) to engage in the selection process to ensure materials support the needs of the school community.

NOTE: *Clerical personnel should NOT be responsible for library material collection development and/or resource management and selection of materials.*

Criteria for Selection of Print and Non-Print Materials

1. Materials are selected to support the mission of Pasadena Lakes Elementary
2. Materials are selected to enrich and support the curriculum and the educational, emotional, and recreational needs of the users.

3. Materials shall be appropriate for the age, emotional development, ability levels, learning styles, and social development of the students.
4. Materials shall represent differing viewpoints of controversial issues so that users may be motivated to engage in critical analysis of such issues, to explore their own beliefs, attitudes, and behavior, and to make informed choices in their lives.

In keeping with the ***Library Bill of Rights,*** materials will be considered based on the following:

- Needs of the curriculum, learning/teaching styles of students, faculty, and staff
- Possible use of material (including small or large group instruction, in-depth study)
- Level of physical, artistic, and literary quality
- Representation of multiple viewpoints
- Treatment of subject and lack of cultural bias
- Accuracy and currency of information
- Scope of coverage
- Support of inquiry and critical thinking skills
- Relationship of the material to the overall collection
- Cost, packaging, and documentation

Selection Tools

The following professional resources are available to assist the media specialist in the selection process. However, selection is not limited to the use of these tools.

Follett Titlewave: Titlewave is a collection development and curriculum support tool for school libraries, librarians, and educators, featuring professionally curated content from Follett library services and support tools that help you find the most relevant materials.

Mackin: Mackin uses highly acclaimed review sources (AudioFile, Booklist, Horn Book Magazine, Kirkus Reviews, Library Media Connection, Publishers Weekly, and School Library Journal). It places them in one convenient location to make the best selections for school libraries and students.

Periodicals: School Library Journal, Kirkus Reviews, Booklist, Horn Book, Library Media Connection, Journal of Adolescent and Adult Literacy, Young Adult Library Services, Knowledge Quest.

Books: Children's & YA Book Lists: Best Books, Best Books for Young Adult Readers; Books for You: An Annotated Booklist for Senior High Students; Outstanding Books for the College Bound: Choices for a Generation; and Senior High School Library Catalog.

Note: Common Sense Media, Amazon, Goodreads, The Manga Critic and Reviews from paid reviewing sources **may be used** in conjunction with professional reviewing sources.

Gifts and Donations

Any gifted or donated items must meet the same selection criteria as all other materials—the criteria listed in Florida Statute 1006.28 and Broward County School Board Policy 4120.

Collection Maintenance

Removing materials from a library collection that are no longer educationally appropriate is an equally important process as selecting new items of high quality. The library media specialist and/or instructional staff should have an ongoing process to evaluate the library media collection and to keep the collection relevant to the changing needs of the curriculum, personal interests, and needs of students. Evaluation of items under consideration for removal from the Library Media Center should be based on criteria related to the educational value of the resources. The removal (weeding) of library materials from the collection is the responsibility of a skilled professional library media specialist.
Weeded items should not be disposed of or discarded at the school site. Weeded items should be boxed and identified as DISCARDED or WITHDRAWN and scheduled for pick up by Procurement and Warehousing Services by completing the enclosed Warehouse Assistance Request Form.

Reconsideration of Materials

Inquiries regarding the appropriateness of particular library and supplemental instructional materials are a normal part of the process of providing a wide variety of resources for student use.

Opt-Out Form

Parents may submit their request to limit their student's access to materials in the school or classroom library by submitting a completed Opt-Out Form to the school principal.

Procedures for Objections to Library Materials and Reading Lists

Superintendent Review Committee

1. The School Board shall form a Superintendent Review Committee (SRC) to review objections to library materials. The SRC must have a minimum of five members but may have as many additional members as the Superintendent or his/her designee appoints based on need.
2. Any committees convened for the purpose of resolving an objection by a parent or resident to specific materials must include parents of students who will have access to such material.

3. The membership of the review committee should reflect the broad racial, ethnic, socioeconomic, and cultural diversity of Broward County Public Schools as well as individual(s) with noted or reasonable subject matter expertise.

Phase 1: Complete Objection to Library/Instructional Materials Form

a. A parent or resident of Broward County who wishes to object to materials used within the School Board of Broward County Public Schools must complete the "Objection to Library/Instructional Materials Form," located on the school's Library Media website. The objection shall include the following information:
b. Parent or resident of Broward County must specify the text within the material he/she believes is out of compliance with the requirements of Section 1006.28(2)(a)2.a. or b., Florida Statutes, and the nature of the alleged noncompliance.

Phase 2: Notifications

a. Upon receipt of the completed "Objection to Library/Instructional Materials" form, notifications will be sent to the principal where the challenge originates as well as the Innovative Learning Department staff, school board members, and superintendent.
b. Any item subject to an objection on the basis of sub sub-subparagraph b. (I) or sub-sub-subparagraph b.(II) must be removed within 5 school days of receipt Page 9 of 10 of the objection and remain unavailable to students of that school until the objection is resolved.

Phase 3: Superintendent's Review Committee Review

a. The Innovative Learning Department Director shall convene the SRC to review the material.
b. SRC will utilize an approved review rubric aligned to School Board policies and state statutes approved by the Superintendent.

Phase 4: SRC's Recommendation to the Superintendent

a. A decision will be rendered within ninety (90) days after receipt of the objection.
b. Committee will submit their recommendation to the School Board of Broward County, the Superintendent, and the parent or resident of Broward County.
    i. allows the challenged material to maintain its current status;
    ii. leave the challenged material in the classroom or school media center, but allow students to use alternate materials approved by school personnel who require the use of the disputed items;
    iii. limit the educational use of the challenged material;
    iv. transfer the challenged material to a higher-level school (e. g. elementary to a middle school); and/or
    v. remove the challenged material from the school environment.

Phase 5: Appeal

a. If a parent or resident of Broward County disagrees with the determination made by the SRC, he/she may request inclusion on the School Board agenda.
b. If they disagree with the School Board's decision on the objection to the use of a specific material, a parent or resident of Broward County may request from the Commissioner of Education appointment of a special magistrate who is a member of the Florida Bar in good standing and who has at least 5 years' experience in administrative law to render a recommended decision.

Library Bill of Rights

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.

II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.

III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.

IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.

V. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.

VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

VII. All people, regardless of origin, age, background, or views, possess a right to privacy and confidentiality in their library use. Libraries should advocate for, educate about, and protect people's privacy, safeguarding all library use data, including personally identifiable information.

Adopted June 19, 1939, by the ALA Council; amended October 14, 1944; June 18, 1948; February 2, 1961; June 27, 1967; January 23, 1980; January 29, 2019.

Inclusion of "age" reaffirmed January 23, 1996.

Although the Articles of the Library Bill of Rights are unambiguous statements of basic principles that should govern the service of all libraries, questions do arise concerning application of these principles to specific library practices. See the documents designated by the Intellectual Freedom Committee as Interpretations of the Library Bill of Rights.
