2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2025-26 School Description and Mission Statement

Joyful
Articulate
Goal driven
Unified
All inclusive
Responsible
Scholars

Miwok Valley is a Positive Behavior Intervention & Support (PBIS) school, which means that we utilize an evidence-based, tiered framework for supporting students' behavioral, academic, social, emotional, and mental health. PBIS improves social emotional competence, academic success, and school climate. It also improves teacher health and wellbeing. It is a way to create positive, predictable, equitable and safe learning environments where everyone thrives. Miwok Valley was recently awarded the PBIS Gold Implementation Award for 2024, a testament to our commitment to excellence in supporting student behavior and creating a positive school environment. Our schoolwide behavior expectations are: Be Respectful, Be Responsible, Be Safe and Be Kind.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

The mission of Miwok Valley Elementary School Parent Teacher Organization (PTO) is to support our students in the areas of physical activity, creativity, and building a sense of community spirit. We achieve these goals through support of the following programs: PE for all students, Visual Thinking Strategies for all grade levels, educational assemblies for the entire school, reading and attendance incentives for every child. The PTO coordinates and sponsors school wide activities such as the Lap-A-Thon, Family Movie Nights, Family Bingo Nights, Holiday Hot Chocolate, a Holiday Craft Fair and much more. The Miwok Valley PTO has funded teacher-led projects at the school that includes a Garden Renovation, professional lighting and sound for stage performances, theater and science field trips to ACT of San Francisco and the California Academy of Sciences, and mini-grants for Leveled Reading libraries. The Miwok Valley PTO can be contacted at miwokvalleypto@gmail.com.

Miwok Valley also engages families, parents, and caregivers through English Learners Advisory Council (ELAC) meetings. These meetings focus on building a community of knowledge, support, and advocacy for our multilingual students.

2025-26 School Safety Plan

The Safety Plan for Old Adobe School is revisited annually. Our Comprehensive Safety Plan includes policies and expectations in the areas of: Disaster Procedures, Safe Ingress and Egress, Child Abuse Reporting Procedures, Discrimination and Harassment Procedures, and School Climate. The Safety Plan outlines the procedures for various drills and emergencies including, fire, earthquake, intruder, and evacuation. These drills are practiced monthly. Our safety plan also includes staff responsibilities in the event of a prolonged emergency and roles each will play in the event of a school-wide disaster or a disaster in the community. We have worked with the City of Petaluma, Police Dept. North Bay Security Group and COE in disaster planning and establishing roles in the event of a disaster. Our safety plan also includes procedures for parents including how to get their children from the school in an orderly manner in the event of an emergency. Our staff engage in ongoing training focused on school wide safety policies and procedures throughout the school year.

Fiscal Year 2024-25 Types of Services Funded

There are many services funded for students and families at Miwok Valley Elementary Charter School. These include:

- 1-Counseling services: The district and site both fund counseling services. This is to ensure the success of each student as they face multiple issues that may impact their success at school.
- 2-Resource program: This is part of our special education services to students and families. Students receive help as outlined in the Individualized Education Plan that includes support for specific learning disabilities or health issues.
- 3-Response to Intervention: We have a certificated teacher working to support students, primarily in language arts, but this can also be in math or other areas as needed. This person serves students in grades 1st-6th grades.
- 4-TK and Kindergarten aides: The Kindergarten and TK classrooms have instructional assistants that support student learning.
- 5-Librarian: The library provides reading materials for students and families and resources for classroom use. The library also supports school-wide reading initiatives.
- 6-Science/Garden education: Is supported by our science/garden facilitator. This position includes preparing materials for students to engage in hands on science labs as well as lesson activities for students to engage in while in the garden.

Fiscal Year 2024-25 Types of Services Funded

7-Our charter also funds arts integration and ecology education throughout the school. This includes materials, professional development, field trips, and outside consultants as well as a music and arts instructor.

Professional Development

Professional Development and on-going training of our educators is a priority. Full day professional development days focus on district priorities in the areas of Professional Learning Communities, MTSS, curriculum, and best first instruction. Teachers are released from classrooms for differentiated training more full professional development days. Teachers are supported through a network of leadership positions and committees including Curriculum Leadership, Guiding Coalitions, and VTS Lead Teachers. Teachers meet weekly for collaboration and assessment of student data with their grade-level peers in PLC groups. Teachers also have after-school collaboration early-release days at least twice a month. Beginning teachers are supported in the North Coast School of Education Teacher Induction Program. Beginning teachers are provided with a district mentor in this 2-year support program.

This table displays the number of school days dedicated to staff development and continuous improvement.
